AND OKANAGAN ORCHARDIST

VOLUME 25.

Kelowna, British Columbia, Thursday, May 2nd, 1929

NUMBER 38

MINISTERS ARE GUESTS AT DINNER

Hon. J. Hinchliffe And Hon. R. L. Maitland Entertained By Kelowna Board Of Trade

At the quarterly dinner, held in the Royal Anne on Monday night, the Board of Trade entertained as guests of honour two members of the Provincial Cabinet, Hon. J. Hinchliffe, Minister of Education, and Hon. R. L. Maitland, minister without portfolio, and the members had the pleasure of listening to two very interesting addresses by these gentlemen. In the unavoidable absence of the President, Mr. T. G. Norris, who had received an unexpected call to the Coast, Mr. F. M. Buckland presided and conveyed the regrets of Mr. Norris at his inability to be present. Grace was said by Rev. A. K. McMin.

An excellent meal having been disposed of, a short business session was held.

Mosquito Control

Mr. H. V. Craig reported as to the progress of the mosquito control movement. A sum of nearly \$200 had been raised by the sale of membership tickets, largely through the aid of school children and the principals and teachers, but this amount was not nearly as much as had been expected. However, operations, which had commenced, were being carried on at less cost than had been estimated, and it was hoped that much good would be accomplished. He wished to thank The Courier for splendid co-operation in publicity given the movement.

Clean-Up Week

Secretary Barton gave a brief report upon Clean-Up Week, most of the details in regard to which have already been made public, and read two prize essays written by High School pupils, Betty Harvey, of Grade XI, and Harry Weatherill, of Grade XII. Both were able pieces of composition and were greeted with applause.

Mr. W. R. Trench urged a clean-up of the course of Mill Creek throughout the city.

Mr. H. A. Blakeborough, City Engineer, understood that Ald. McDonald had provided a sum of \$50 for such purpose in his estimates, but had been forced to cut it out as a contribution towards keeping down the rate of taxation.

New Members

Messrs. B. B. Hughes-Games and W. Bruce Bredin were proposed as members and were duly elected.

Ferry Service

The Secretary read copies of letters sent that day to the Minister of Public Works asking that the schedule of the Kelowna-Westbank ferry be revised to include two extra trips daily, leaving Kelowna at noon and 6 p.m., and returning from Westbank at 12.30 and 6.30 p.m., and that a special return fare of 10 cents be put into operation for the months of May to September, inclusive, for foot passengers, on account of a lease of a portion of the shore extending for about half a mile south of the Westbank ferry wharf having been secured by the Rotary Club of Kelowna from the Indian Department, at Ottawa, for use as a picnic ground.

There being no further business, the chairman called upon Hon. J. W. Jones to introduce the Hon. R. L. Maitland, minister without portfolio.

Expressing his pleasure at being back in Kelowna after an absence of several months, Hon. Mr. Jones took the opportunity to introduce in jocular terms his colleague, Mr. W. F. Kennedy, M.L.A. for North Okanagan, before performing the same office for Hon. Mr. Maitland. Commending the quality of the essays by school pupils which had been read, Mr. Jones referred to the visit paid to the schools that day by the Minister of Education, who was evidently very favourably impressed with what he saw, and, passing to mosquito control, said he was glad to see a fighting Irishman, Mr. Craig, at the head of the movement. Should the Government institute a new department, he felt like advocating one of mosquito control and placing the combative minister without portfolio in charge of it. (Laughter.)

Hon. R. L. Maitland

Hon. R. L. Maitland, who was received with applause, said that, after having been a member of the Government for six months, he would have no objection to taking over the proposed new department, provided it had control of all pests. (Laughter.) He thought in that event he would be as busy as his friend the Canon believed he was.

ANOTHER AGUIRRE TO FACE FIRING SQUAD

NOGALES, Sonora, Mexico, May 2.—The last of the Aguirre brothers has been captured, scions of a family famous in the turbulent history of Mexico. The three brothers played leading parts in the insurgent military operations of the latest revolution. General Manuel Aguirre, who captured this town in the name of the revolutionists, has been caught by government forces "somewhere in Sonora," according to reports. His two brothers, General Jesus M. Aguirre and Colonel Simon Aguirre, were both executed in Vera Cruz by Federal forces during the first month of the revolution.

AGREEMENT ON TOMATO PRICE IS REACHED

B. C. Tomato Growers' Association Accepts Offer Of \$17.50 Made By Dominion Cannery

The following resolution, passed at a special general meeting of the B. C. Tomato Growers' Association, held in the Board of Trade Room on Tuesday afternoon, brought to an end the deadlock which for several weeks past existed between the Association and the Dominion Cannery (B. C.) Ltd.:

"Whereas, our Directors have been unable to contract with the cannery at the price fixed at the last general meeting:

"Be it resolved, that we leave to our Directors power to fix the price of canning tomatoes, and recommend that the offer from the Dominion Cannery of \$17.50 per ton be accepted."

Following considerable discussion, this resolution was moved by Mr. H. B. Latta and seconded by Mr. H. Tweedle, of Keremeos. With the exception of one dissenting voice, it was carried unanimously. Adoption of the resolution means that the acreage grown this year at Oliver and Keremeos will be taken care of by the Dominion Cannery, and that a portion of the acreage in the Kelowna district is assured of a market at a fixed price.

With Mr. J. Spall, President, in the chair, and Mr. J. B. Conway fulfilling the duties of secretary, the meeting, well attended by tomato growers, was called to order. The minutes of the last meeting were read and, after a brief discussion, were adopted.

Asked if Summerland growers had been approached officially with a view to inducing them to join the Association, Mr. Spall replied that, as far as he was aware, tomatoes would not be grown at Summerland this year.

Referring to the minutes of the last meeting, the President said that it seemed to be the general opinion among the members of the Association that the Directors should make an early settlement as to price with the cannery each year. He would point out the difficulties presented by reminding members that, since the expiry of long term contracts with the cannery two years ago, the latter were privileged to take their time and could not be forced into an early agreement if they were not so inclined. The Directors had the same condition to face each year, and they did their best.

Mentioning that no price agreement with the cannery had been reached for the 1929 crops of tomatoes, he wished to make it clear that Oliver had not in any way delayed a settlement. The cannery had offered lower prices this year because the Association had set the prices on the two varieties equivalent to those of 1928. "Oliver, by sticking to last year's prices of \$18.50 for Earliana and \$20.50 for John Baer, did not hold up a quicker settlement with the cannery," said Mr. Spall. He feared that, of the twenty or twenty-five members who did not vote at the last meeting, many of them were in favour of accepting the reduced price of \$17.50 per ton for Earliana, but they had not taken a stand, one way or the other. All members, he advised, should vote. Keremeos, at that time, had been agreeable to a price of \$17.50, in order to get started.

Mr. Spall reviewed the meeting held on April 17th between the Directors of the Association and Mr. Hollos, of Dominion Cannery, at which time the Directors had reminded Mr. Hollos that his offer of one price for all varieties was unfair, as a premium had always been paid on the John Baer variety, grown chiefly in the south. Mr. Hollos had replied that he was not particular as to variety so long as the tomatoes applied were suitable for canning purposes.

Acreage In Excess Of Cannery Requirements

As was pointed out in a recent letter sent to members, it now appeared that the Association had, according to the questionnaires, thirty per cent more acreage than the cannery could handle this year, and, in view of the fact that the plants had not yet been set out, sufficient time remained for the individual grower to curtail his acreage. It also offered a solution to a quick settlement.

DIARY TELLS TRAGEDY OF LOST AVIATORS

SYDNEY, Australia, May 2.—A rough diary scribbled on the rudder of their plane revealed the tragedy of Robert Hitchcock and Keith Anderson, the aviators who lost their lives in an attempt to find the airplane "Southern Cross." The brief record told of a forced landing, due to a faulty cylinder and push rods, which drove the "Koobaburra" to earth seven hours after leaving Alice Springs on April 10th.

The men tried to construct a runway to permit them to take off again but did not succeed. They searched vainly for water and finally were reduced to drinking alcohol from the compass. Food was not lacking, for the plane contained two tins of biscuits.

"Attempted to take off," said the diary, "Clearing runway, but owing to increasing debility from thirst we are unable to make further attempt." The last entry was dated April 12th and it showed the exhausted condition of the men.

IMPROVEMENT IN MUSICAL SKILL EVIDENT AT OKANAGAN FESTIVAL

Adjudicator Comments Upon Manifest Betterment—Minister Of Education Presides Over Crowded Hall At Grand Final Concert—Possibility Of Government Grant In Aid Is Forecast

Possibly no greater compliment has been paid to the committee in charge of the fourth annual Okanagan Valley Musical Competition Festival, which was successfully concluded at the Scout Hall on Saturday evening, than the tribute expressed in the farewell remarks of Dr. Frederic Rogers, of Vancouver, adjudicator for the musical classes, who, at the close of the grand final concert, said, "the arrangements of this Festival have put to shame those of the Provincial Festivals at Vancouver in the past." With these few words, the conductor of the Greater Vancouver Choral Society rewarded the commendable efforts of the indefatigable Festival Committee.

For the fourth time the Okanagan Valley musical competitions have been held successfully at Kelowna. Since its inception in 1926, when the number of entries were small indeed and the magnitude it was to reach in later years was only a vision, it has grown in proportion and importance and has established itself as a stimulus without which considerable of the potential musical talent of British Columbia would never be encouraged or heard in the metropolises of the world. It has fostered the spirit of sportsmanship in music through friendly competition, and has sponsored the development of latent musical ability. And by encouraging the young—the boys and girls who, later on, are to interpret the compositions of the world's great composers—the Festival movement in the Okanagan is promoting in the words of the Hon. J. Hinchliffe, Minister of Education, "a great and enduring good."

That juvenile musicians who competed at the Festival last year have improved, due to the kindly criticisms offered by the adjudicators, was quite evident at the competitions this year, a fact commented upon by Dr. Rogers, who was also an adjudicator in 1928. The criticisms given in each case are constructive, spurring on to greater endeavour those who have a foundation in music on which to build. The object of a musical festival, as defined by Sir H. Walford Davies, is not to gain a prize or defeat a rival, but to place one another on the road to excellence. It is safe to say that the Festival recently concluded attained this objective, and that the praiseworthy adjudications of Dr. Rogers, Dr. J. J. Landsbury and Mrs. J. P. Ferguson have been instrumental in placing not a few of the contestants "on the road to excellence."

Interest in this year's musical competitions was evidenced by the comparatively large attendance at all sessions, with the exception of the events held on Friday and Saturday morning, many of which were only preliminaries. On the afternoon and evening of Thursday and Friday the Scout Hall, at each session, was fairly well filled, and on Saturday night the building was packed with auditors. In addition to the Scout Hall, the Empress Theatre was utilized for elocution classes on Friday and Saturday mornings.

Although the work of the adjudicators has been already referred to, the services rendered by Dr. J. Landsbury, Dean of the School of Music,

Oregon State University, Eugene, Oregon, who for the first time attended a Canadian musical festival, are worthy of mention. In his criticisms, the Dean gave constructive advice in an entertaining manner, often employing the aid of the piano or his voice to illustrate his points. Mrs. J. P. Ferguson, of Vancouver, adjudicator for the elocution classes, who also came to the valley in that capacity for the first time, gave marks in the various classes that were decidedly fair. Dr. Rogers, with whom nearly all were familiar, exercised his usual good judgment, and his ascensions to the stage were invariably greeted with applause.

The programme at each session did not later interest. As the resume of it appeared in The Courier last week, further detailed reference is unnecessary. No serious hitches occurred, the large number of entries, approximately those of last year, being handled efficiently by the committee. Several of those entered in the senior elocution classes failed to appear at the stated time, leaving no competition for the lone entrants in the men's and ladies' events. The Armstrong School Choir was also unable to compete with other schools, due, it is believed, to failure to secure adequate transportation at the last moment.

Mayor Officiates At Opening

The Festival was formally opened on Thursday afternoon at 2 o'clock, when, at the request of the General Secretary, Mayor D. W. Sutherland ascended the platform and made a brief address. The Mayor said that it afforded him great pleasure to announce the opening of the fourth annual Okanagan Valley Festival which, year by year, has been a success. The building up of the organization has been difficult, but was infinitely worth while. The Musical Festival, fortunately, differed from the Associated Boards of Trade of the valley, which had been revived from time to time only to eventually die. The Festival had thrived because there was a marked absence of jealousy which often characterized organizations of this kind. Harmony was everywhere evident, hence its remarkable growth.

How the Festival managed to get along without financial assistance was something the Mayor could not understand. He was of the opinion that the Provincial Government should make an annual contribution to the Festival, and he thought it might be well for the committee to enlist such aid.

A new country, said the Mayor, was necessarily backward in art, literature and music, and the necessities and material comforts of life had first to be provided. However, in the Interior of British Columbia progress was being made in the arts, and much that was being done in this regard was accomplished by the Musical Festival. It was an important influence, and the stimulus provided by the competitions was conducive to progress.

The Mayor thanked the adjudicators for coming to Kelowna on that occasion; he realized that their work was busy in their "own homes," and the fact that they were willing to come to the Okanagan, even for a few days, was to be appreciated. The committee had

worked well and the General Secretary, Mrs. Arbuckle, was to be complimented particularly on the excellent results achieved through her untiring efforts.

"May the fourth annual Festival achieve equal if not greater success than those preceding it," concluded the Mayor. "I now declare the Festival duly opened."

Dr. Rogers

Dr. Rogers followed the Mayor with a few remarks, and his appearance was the signal for enthusiastic applause. He said that he would speak for the benefit of the new competitors this year, and to all those he would say that they would find nothing in the criticisms given by himself and Dr. Landsbury that was not of a constructive and instructive nature. He advised new competitors to forget their nervousness and do their best, as he and his co-adjudicator would be kind.

Dr. Landsbury

At the conclusion of the first competition, Dr. Landsbury introduced Mrs. Arbuckle, who was to be complimented for her friendly and intimate feeling at once. He wanted to encourage the young people, but, on the other hand, he would be careful not to arouse hopes where not justified.

Mrs. Ferguson On Elocution

Apart from the Gold Medalists Championship Competition, the competitive portion of the Festival was completed on Saturday afternoon, at the conclusion of which Mrs. Ferguson gave a brief talk on elocution. She defined elocution as being expressions of thought conveyed by diction, stressing the importance of proper enunciation, the value of breath control, in modulation, and emphasis of voice, the effects obtained by gesture, and concluded with the remark that elocution was the sister art to music.

Minister Of Education Presides At Final Concert

The grand final concert was staged under the chairmanship of the Hon. Joshua Hinchliffe, Minister of Education, who also attended Saturday afternoon's competitions. On that particular afternoon, said the Minister, he had seen and heard that which made his heart glad. He knew of no influence so uplifting, so conducive to good, as music, and he had been privileged to listen to many excellent selections that day.

Possibility Of Government Grant

With regard to a Provincial Government grant to the Okanagan Valley Festival, which in the past had been urged by the Hon. J. W. Jones, the Minister of Education said that, although he was of the opinion that the government was inclined to favour a grant to musical festivals, they had found it impossible to make one. Personally, he felt that government assistance should be given, and it was quite possible that on the next application consideration. Mr. Jones would remind them at the proper time, and the efforts of the member for South Okanagan should result in success.

NEW EXHIBITION ASSOCIATION ORGANIZES

Board Of Directors Elected—Effort Will Be Made To Insure Prize List Earlier

Although the attendance at the first general meeting of the new Kelowna Fair Association, which has succeeded the Kelowna Agricultural Society, assigned at the gathering held on Saturday evening in the Board of Trade Hall and a directorate was chosen, Mr. T. Wadsworth, President of the defunct Agricultural Society, called the meeting to order and was chosen as chairman, with Mr. H. C. Francis as secretary.

The first business transacted was election of the directorate, the following, all members of the board of the Agricultural Society, being chosen: Mrs. D. W. Sutherland, Mrs. J. J. Sutherland, Hon. J. W. Jones, Capt. H. V. Acland and Messrs. J. W. Ablett, W. R. Barlee, G. D. Cameron, W. A. Cameron, H. V. Chaplin, M. Heron, J. Horn, R. Lambly, C. Tucker and T. Wadsworth. Upon the proposal of Mr. Ablett, seconded by Mr. Tucker, Mr. A. Nottley was added to the directorate with a view to using in the floral department of the exhibition his wide knowledge of flowers.

Challenge Cup For Flowers

In connection with floral exhibits, Mr. Ablett intimated that P. Burns & Co. had generously offered a challenge silver cup, which would probably be allotted to the best collection on display, including annuals, perennials and possibly bulbs.

Valuable Special Prizes For Vegetables

Another splendid donation which should stimulate competition in the sack vegetable classes at the Fall Fair was announced by Mr. Wadsworth, who stated that the Canadian Bag Co., Ltd., had promised one thousand vegetable sacks, worth \$13,000. An appointment of the valuable contribution took some working out, but, after thorough discussion, it was decided to divide the sacks equally between potatoes and onions, exhibits to consist of five sacks and to be part of the product of not less than one acre devoted to the crop. This last proviso was made to preclude entrants with small gardens carrying off the prizes, which are intended to create competition between growers producing such vegetables on a considerable scale. The prizes will be awarded in the proportion of 250 sacks, value \$2,500, for first, 150 sacks, value \$1,500, for second, and 100 sacks, value \$1,000, for third.

Fewer But Larger Prizes

In reply to a question by the chairman as to whether anything special was required by the fancy work and other departments particularly within their cognizance, Mrs. D. W. Sutherland stated that there had been some complaint as to the small amount of the prizes.

Capt. Acland agreed with the view that too many small prizes had been offered, and he expressed the hope that when the prize list came to be revised it would be condensed, a number of the small prizes abolished by elimination of the classes, concerned and the amount of the prizes for the remaining classes increased.

Earlier Issue Of Prize List

Mr. Wadsworth also favoured fewer but larger prizes and, with a wholesale revision of the prize list to be undertaken, urged that no time be lost in taking up the work, so that the list could be issued much earlier than had been the custom in the past in order to give competitors a better chance to prepare. He considered that the bulk of the special list should be issued as they had been left too late in previous years to produce as much competition as should be forthcoming.

There was general agreement with the views expressed by Mr. Wadsworth, and the Directors were instructed to take up revision of the prize list as their initial task at their first meeting, to be held on Saturday, May 11th.

TUBERCULOSIS SPECIALIST HOLDS CHEST CLINIC HERE

About Forty Patients Receive Careful Examination

Dr. A. S. Lamb, Travelling Provincial Health Officer and Tuberculosis Specialist, held a Chest Clinic at the Kelowna Hospital on Thursday, Friday and Saturday last, when about forty patients were subjected to careful examination and X-ray pictures were taken where necessary.

Co-operating with the Provincial Government, the Tranquille Tuberculosis Society has provided a portable X-ray machine and a public health nurse to assist. Dr. Lamb, with these clinics, which he holds throughout the province.

At Christmas time the Society makes an appeal to the people of British Columbia to buy the little Christmas seals, to be placed on mail and gifts, and it is from the funds raised in this way that the expenses incurred in the use of the X-ray machine and in provision of the services of the nurse are met.

Dr. Lamb wishes to express his cordial thanks to Mrs. Wilmot, Lady Superintendent, for the use of rooms in the Hospital and for her courtesy and help during the clinic.

TAX BY-LAW IMPOSES 45 MILL LEVY

But Strong Effort Will Be Made To Reduce Rate To 44 Before Final Reading

In order to avoid conflict with the Board of Trade quarterly dinner, at which Hon. J. Hinchliffe and Hon. R. L. Maitland were to be guests, and permit members of the Council to attend the regular meeting of the latter body was advanced from Monday night to the previous Friday evening, when the whole personnel was present.

Tourist Camp Project

Mr. T. G. Norris appeared on behalf of Capt. McKinnon, who accompanied him, to submit the proposal of the latter to construct a tourist camp on the south side of Mill Creek, immediately opposite the City Tourist Camp. He stated that it was proposed to erect thirteen comfortable huts, coloured sketches of which were laid before the Council, which would provide accommodation lacking in the City camp such as tourists now seemed to prefer instead of having to pitch tents. The camp would be laid out neatly and would be made attractive, involving a considerable expenditure, on account of which Capt. McKinnon desired certain concessions, one of which was that the City would not run a camp in opposition to him or give permission to others to do so, and would also erect a bridge across the Creek, so as to give access to the camp through the City Park. A man would be put in charge of the camp, whose operation would be regulated in accordance with the wishes of the Council, and the construction of the huts would be subject to approval by the City Engineer. The area of the camp site would extend to about three lots.

Replying to a question, City Engineer Blakeborough estimated the cost of a bridge suitable for light cars at from \$275 to \$300, provided available discarded material, such as electric light poles, was used.

The plans of the camp and sketches of the huts were examined carefully by the Council and a number of questions were asked of Mr. Norris and Capt. McKinnon as to details, careful consideration of the request being promised finally by the Mayor.

Kelowna Airport

A letter from Western Canada Airways, Ltd., stated that they did not propose to establish an air mail route from Vancouver to Kelowna this season, and that they understood that the P.O. Department did not intend to establish air mail service in this section of the country at present. Until an official survey was made by the Dominion Government of the best possible route from the prairies to the Coast, it would be impossible to say whether the Kelowna would be included on the route. They advised, however, that it would be wise to set aside an area for airport purposes, and recommended about 80 acres, bordering on the lake shore, as a suitable tract.

Dr. Young Returns Thanks

Dr. H. E. Young, Provincial Health Officer, wrote conveying to the City Council his appreciation of the courtesies extended to him during his recent visit to Kelowna.

Isolation Hospital Now Complete

A communication from the Kelowna Hospital Society stated that the Isolation Hospital was now complete and requested payment of the balance outstanding under the Hospital Aid By-Law, 1928, amounting, according to their computation, to \$2,238.12. A cordial invitation was extended to the Mayor and Council to visit the new building.

It was decided to view the new premises on Monday, April 29th.

Petitions For Opening Streets

Two petitions, duly signed by property owners concerned for extending and opening Lawrence and Leon Avenues to Richter Street, were received as a portion of the necessary procedure in such matters, and were laid over for report thereon by the City Clerk.

Contract For Purchase Of Electric Meters

A resolution was passed authorizing the Mayor and City Clerk to execute an agreement with the Canadian General Electric Co. for the purchase of electric meters, in consideration of concession of a special purchase price.

Sewer Construction Under Local Improvement

By formal resolution, the City Engineer was instructed to make a report, with estimates of cost, upon a proposed branch sewer referred to in a petition.

(Continued on Page 2)

ROTARY CLUB ELECTS DIRECTORS FOR YEAR

At the meeting of the Rotary Club of Kelowna on Tuesday, the following directors were elected for the term of office to commence July 1st: Messrs. F. M. Buckland, W. Maddin, B. McDonald, Geo. S. McKenzie, E. O. MacGinnis and H. F. Rees. The directors will elect the officers.

The annual convention of District No. 1, which includes British Columbia, Washington, Oregon, Alaska and part of Idaho, will be held on Monday, Tuesday and Wednesday of next week, at Vancouver, and it is expected that Mr. H. F. Rees, President, and about fifteen other delegates will attend from the Kelowna club.

MOTHERS' DAY SUNDAY, MAY 12th

We have arranged a case of Mother Day Gifts for your inspection. A nice variety of lovely gifts and all priced specially low for this occasion.

BOY SCOUT COLUMN

1st Kelowna Troop
Troop First! Self Last!
Edited by "Pioneer"

30th April, 1929.
Orders for week ending 9th May, 1929:

Duties: Orderly Patrol for week, Beavers; next for duty, Wolves.
Rallies: The Troop will rally at the Scout Hall on Friday, the 3rd of May, and on Monday, the 6th of May, at 7.15 p.m. Full uniforms are to be worn at Friday's rally. This is an order, disobedience in observing which will result in no marks for conduct being given. From now up to the date of our Show the following will be the regular routine at all rallies on Mondays and Fridays, and it becomes increasingly necessary that there should be no absences and that every Scout should be on time.

7.15 p.m. Fall In at Corners.
7.17 p.m. Fall In Column of Patrols for Roll Call and Inspection.
7.25 p.m. Free to Patrols and tests.
7.30 to 8 p.m. Orchestra Practice under Mr. de Macedo.
7.45 p.m. Signalling, Semaphore and Morse, under ASMs Little and Laidlaw.

8.05 p.m. Mouth-organ Practice.
8.15 p.m. Free to Troop or me.
8.15 p.m. Parallel Bars Squad under Mr. Mar Jok. Tumbling Squad under Mr. Gordon Meikle, and both squads in Pyramids.

8.30 p.m. Rehearsal of P... under Mr. W. B. Bredin.
Scouts with the right spirit will see that their school home work does not suffer by doing it the afternoon before or the early morning after a rally. In addition to the above regular practices, special ones of the different events will have to be held, and patrols will have to arrange times for rehearsals of the Scout Law illustration which they are entering into the competition.

The application of Allan McKenzie to join the Troop has been approved and he has been posted to the Owls. It is nice to have one of the pioneer Scout families of Kelowna once more represented in the Troop.

The present standing of the Patrol competition is as follows, and this covers the rallies held on Friday, the 19th, Monday, the 22nd, and Monday, the 29th instant. There was no rally on Friday, the 26th inst. Cougars, 1,476; Lynx, 1,296; Wolves, 1,180; Eagles, 990; Beavers, 989; Owls, 941; Otters, 759; and Foxes, 704. We cannot give all the details here but on Friday, the 26th inst., the Cougars received 200 points through P.L. Herbert Aitken winning his Carpenter's and Musician's Badges, the examiners being Mr. Carleton and Mrs. Elliott, and on the same evening all the Patrols, but the Eagles lost 10 points each for not producing a complete set of signalling flags. On Monday, the 22nd instant, the Wolves, Lynx, Beavers, Otters and Foxes lost 20 each for the same reason and the Cougars and Owls received 70 and 60 respectively for producing theirs. Last night, the Wolves, Beavers, Otters and Foxes lost 30 for still being without a set, and the Lynx received 50 for producing theirs. On Friday, Patrols still in default will be mulcted 40 points each.

The selection of our Province's quota of four Scouts for the Jamboree has now been made and from our Region P.L. Robert A. Grant of the 1st Vernon Troop is the lucky boy. To him and his Troop we offer our most hearty congratulations, and we are only sorry that all the nominees are not able to accompany him. An extension of time to the 10th of May has been given to any of the unsuccessful nominees or any other Scouts to find their own expenses of roughly \$500.00 and so make it possible for them to join the quota, and we most sincerely hope that British Columbia's delegation will be increased in this way.

None of the Leaders has so far been appointed with the exception of Assistant Chief Commissioner John A. Stiles, who has been appointed to head the Canadian contingent. The Prince of Wales is going to spend the night of August 1st in camp with his brother Scouts, and the Jamboree is going to be officially opened on the 31st of July by H.R.H. the Duke of Connaught, former Governor-General and Chief Scout for Canada.

WOLF CUB NOTES

1st Kelowna Pack

"Do Your Best"

The Pack will parade at the Scout Hall on Wednesday, May 8th, at 8 p.m. All Cubs must attend parades regularly, as we have lots to do.

We are going to arrange a Cub hike on May 24th, this being a holiday, destination to be arranged later. Any Cub wishing to pass outdoor tests can do so when on this hike.

We are still in need of assistants for the Pack, to enable us to carry on.
R. GARDNER, Cubmaster.

SEA CADETS

"Keep Watch"

At last parade the corps was exercised in marching and drill. All cadets were then given instructions in Rule of the Road at Sea, whilst probationers were exercised in knot tying. The following have qualified in knots: Cadet J. Thompson, 90 per cent; Cadet R. Brunette, 83 per cent; Cadet D. Buckley, 79 per cent; Probationer J. Buckley, 94 per cent.

Probationer J. Buckley rated Cadet and attached to Starboard Watch.

Duty Part next week: Port Fore. Voluntary knot tests on Friday, May 3rd, at 4 p.m., in charge of Leading Cadet R. Buckley.

Commanding Officer, Co'y 1358, Kelowna Sea Cadet Corps—"Grenvilles".

MR. JUSTICE WRIGHT

Presiding at a murder trial at Courthouse, Ont., Judge Wright brought up an unusual point of law when he refused to accept a verdict of "not guilty," but sent the jury back to reconsider. They finally reported that they could not agree. It transpires that His Lordship was quite within his rights, and that a judge is not bound to accept the first verdict returned by a jury.

GIRL GUIDE NOTES

2nd Kelowna Company

"Ever Ready"

Orderly Patrol for week ending May 7th: The Daffodils.

The Company will rally at the Scout Hall on Tuesday, May 7th, at 7.15 p.m. Miss Lynne will be with us to give us instruction for our Sick Nursing badge. We have not been able to arrange our additional lecture for Thursday evening, but hope to work it in at a convenient hour for all next week.

Tuesday, May 7th, is inspection night. Guides be in full uniform and on time. We do not want to bring down our Patrol standing because we are tardy.

This week's marks are first, for attendance, etc., second, for prompt payment of dues.

—Poppies, 94, 100; Daffodils, 99, 87.5; Swallows, 97, 59; Shamrocks, 85, 75; Nightingales, 69.5, 71.5.

WINFIELD

The dance at Rutland closed the basketball season. Hearty congratulations to Rutland as winning team.

Owing to the pitcher, Roy Duggan, living in town this year and Mr. Elliott not being able to play, Winfield will not have a baseball team of its own. However, we understand that Winfield and Oyama will have a joint team.

On Wednesday next, May 8, the Rutland Dramatic Society will put on their play, "Made over Martha," at the Winfield Hall. This took very well in Rutland and it is hoped that there will be a good crowd to hear and see and laugh.

Unfortunately there was a mistake made last week in these notes as to the date of the Ladies' Aid lawn social, which should have been May 16 instead of June 16.

Mr. and Mrs. Monsees returned on Saturday from California, where they had spent the winter. They went on to their house in Vernon on Sunday.

Mr. Randall, who is now living in Victoria, passed through Winfield on Saturday on his way to Summerland.

TAX BY-LAW IMPOSES 45 MILL LEVY

(Continued from page 1)

tion signed by Quong K. Tape, Quong Jim Ngo and others, in accordance with the provisions of the Local Improvement Act and the Municipal Act.

Collector Of Garbage
Mr. G. Bell, who has been acting as collector of garbage since the City undertook that work, was confirmed in the position at a salary of \$75 a month.

Debentures Fetch 94
Introducing a resolution providing for the sale of \$94,000 worth of City debentures, par value, to Victor W. Odium & Co. at 94 and accrued interest, Ald. Rattenbury, chairman of the Finance Committee, explained that the negotiations with that firm had resulted in a slight increase in their bid for the debentures, in consideration of two months' time being allowed them in which to make payment. The resolution was passed.

Plans Of Subdivisions
Two plans of subdivisions, being part of Block 31, R.P. 462, and a subdivision of Plan 3084, received approval, while another plan of subdivision of the W. J. Marshall property was laid over to permit examination of the proposed extension of Buckland Avenue and of the site of a projected bridge over Mill Creek.

The Tax Levy
The table having been cleared of other less important business, the Council tackled once more the difficult and worrying task of striking the tax levy for the current year.

The Mayor suggested that a final effort be made to reduce the estimates by going over them again in committee, while he admitted there was little material upon which to work, as provision for interest and sinking fund on the municipal debt constituted fixed charges which could not be reduced, and the school estimates could not be touched. These two items represented 80 per cent of the total levy, leaving only 20 per cent under control of the Council. If there had been no levy at all last year for general purposes, it still would

(Continued on Page 9)

1ST RUTLAND TROOP

"Do A Good Turn Daily"

Orders for the week ending May 11th:
The Troop will parade on the school field on Friday, at 7.45 p.m. Points for uniform.
Duty Patrol: Beavers.

The Scout meeting for last week was to have been held in the hall, but experiencing some difficulty in starting the engine, it was unanimously decided to adjourn to the woods for an outdoor meeting. After a couple of exciting games of "Release," a small camp fire was started, and a short programme of songs and stories was followed by the Investiture of two recruits who recently passed their Tenderfoot tests, Lloyd Davies and James Muford, both of the Kangaroo patrol. The meeting closed with the giving of a couple of rousing Scout "Yells."

In addition to A.S.M. Harrison we are now to have the assistance of Gordon Hall, a former member of the 1st Kelownas, who was in attendance at this meeting and will hold the rank of Acting A.S.M. from the first of May. Congratulations are due to the Vernon Troop of Scouts in the selection of one of their number as the representative of the Interior in the B.C. quota to go to the Jamboree. It is too bad that the expense of going as an unofficial delegate is so high, or we would have made the effort to send our nominee under this plan.

WOLF CUBS

Recruits are rolling in to the Pack these days, no less than five new names being added to the roll the other day. This brings the strength of the Pack to 20 and makes the formation of a third six imperative. This is a situation that we had long hoped for, as three sixes of Cubs will provide an adequate recruiting ground for the Scouts, making it easier to keep the three patrols up to strength by the regular transfer of Cubs on reaching their twelfth birthday.

Ken Bond and Pete Ritchie are to be congratulated upon the progress being made under their leadership.

A. W. GRAY,
Scoutmaster and Acting C.M.

GLENMORE

Mrs. P. A. Lewis, after spending the winter at the Coast, has returned to her home in Glenmore.

Mrs. J. O. Noyes, of Naramata, is visiting her daughter, Mrs. G. C. Hume.

Mr. T. M. Ryall returned on Monday from the Coast, where he spent the past two weeks, disposing of the remainder of his crop.

The Committee in charge of the Recreation Ground at Manhattan Beach have organized a "Bee" for Tuesday, May 7th, when it is hoped all the men can arrange to give that time to preparation of the grounds.

The Ladies' Guild will meet on Tuesday afternoon at the home of Mrs. Lewis Marshall. Final preparations for the Blossom Tea in the Schoolhouse will then be made.

Mrs. Wm. Geary accompanied Mr. and Mrs. Anderson and Mr. and Mrs. Reg Geary, when they left for the Coast on Wednesday.

The School Board decided at their last meeting to pay High School fees for children under sixteen. Only two children are affected.

Watch Your Step, Girls!

Scheming women on the lookout for husbands have just had their attention drawn by a Paris newspaper to a law passed in 1770, which has never been repealed. It reads:

Anyone who entices into marriage a male subject by means of rouge or scent, or artificial teeth, or false hair, shoes with high heels, crinolines, or false hips, will be prosecuted for fraud, and the marriage will be declared null and void.

A good way to prevent granite salesmen from calling on your relatives is to slow up at the corner.

READY NOW

PANSIES

Swiss Giants mixed, Masterpiece mixed, and Mastodon—Miracle mixed.

All at 75c per dozen.

CARNATIONS

FINER THAN EVER *and* LOWER IN PRICE

THE finer Oldsmobile is more beautiful than ever in appearance—the result of new style refinements and new color combinations now presented in its composite Bodies by Fisher.

The finer Oldsmobile is more luxurious, more comfortable and offers new conveniences for driver and passengers. Roominess is a feature. Seat cushions are deeper and softer. Upholsteries are richer. And the new Fisher adjustable front seat, combined with Oldsmobile's adjustable steering wheel, makes the driving position a matter of individual choice.

The finer Oldsmobile provides even more gratifying and dependable performance. Its big high-compression engine now develops 62 horsepower. Typical of its fine car design, oil is forced directly to the piston-pins through rifle-drilled connecting rods—a feature heretofore characteristic of high-priced cars.

Come in and see this new Oldsmobile—finer than ever—and lower in price.

ROBERTSHAW MOTORS, LTD.

LAWRENCE AVE., KELOWNA

PRODUCT OF GENERAL MOTORS OF CANADA, LIMITED

Everybody gains by buying made-in-Canada goods.

Yes, we have no mosquitoes! Nearly fifty billion mosquitoes will be exterminated in Winnipeg during the summer, according to a recent report. "Twenty-five cents kills a million," is Winnipeg's slogan, and, to date, some \$12,000 has been raised for warfare on the irksome pests. The Golden Star states that it is quite willing to contribute a dollar to massacre four millions at the Winnipeg rate. Any more offers?

LETTERS TO THE EDITOR

A LADY CAN HELP IN THIS CASE

Box 948,
Kelowna,
April 30, 1929.

To the Editor,
Kelowna Courier.
Dear Sir,
Would you permit me to make an appeal through the medium of your publication to any lady who may be going to Vancouver, or, better still, to Victoria in the next few weeks?
We have a ten-year-old little girl who has to be taken to the Queen Alexandra Sanatorium at Malahat Beach, Vancouver Island. The C.P.R., on request, will refund half the train fare to anyone who would undertake this duty. Please communicate with Mrs. Anne F. Grindon, Provincial Health Nurse, Box 948, Kelowna, or phone 242, at 6 p.m.
Thanking you,
Yours truly,
ANNE F. GRINDON, R.N.

When a rich man tells reporters he doesn't know how he got that way, it may be either modesty or discretion.

IT SHOULD BE DONE—

Your lawn mower should be sharpened and tuned up ready for early use.

With our up-to-date machinery we make a good job possible.

Cabin, Tourist Third Cabin and Third Class

NORTHERN FILM IS EPIC OF THE SCREEN

"The Trail Of '98" Vividly Presents Thrilling Story

The powers of the motion picture have been shown to no better advantage than in "The Trail of '98," Metro-Goldwyn-Mayer's northern film epic which will be shown at the Empress Theatre on Friday and Saturday. There have been many good pictures, a few marvellous productions and two or three magnificent epics, and among the latter should be classified "The Trail of '98."

This picture has love, human interest, strength, grandeur and power, and it is strikingly different from the average northern "snow picture." The screen seems to live and breathe as the characters enact their roles and the plot of the story is unfolded before the eyes of the spectators. It shows the puniness of man against the forces of nature—it records one of the most thrilling incidents of history in a way most enthralling. True, the picture has a frame of the spectacular, but this does not detract from the power and interest of the story.

Every member of the enormous cast deserves credit for what he did in "The Trail of '98." There's Delores Del Rio, who has always been a good performer; Ralph Forbes, whom film fans would like to see often; Harry Carey, a sterling actor; Karl Dane, whose comedy is as refreshing as the great open spaces; Tully Marshall, whom there is none better in such roles as he usually enacts. There are others, too, who faithfully portray the characters in Robert W. Service's novel.

"The Wolf of Wall Street"

This country has gone in for a new indoor sport, that of speculation in stocks and bonds, and this provides the foundation for an entertaining picture, "The Wolf of Wall Street," the feature showing at the Empress on Monday and Tuesday. With a laugh for trouble and a curse for a weakling, George Bancroft drives his way through this picture in characteristic manner. He plays the part of a bullying, uncouth, but shrewd, broker of Wall Street, a man without fear or conscience, driving over every obstacle and even welcoming ruin when it proves the only way he can defeat his enemy. The supporting cast features Nancy Carroll, Bacalova and Paul Lukas.

"Me, Gangster"

"Me, Gangster," based on Charles Francis Coe's story, will entertain at the theatre on Wednesday and Thursday. Believe it or not, there is not a machine gun in the entire pictured story, murder is not committed, there is no enmity between law-breakers and police, yet there is always poignant, human drama, thrills, suspense, romance, battles of wit and battles of brawn, but no scene that is not natural and logical. It is a story described as "refreshingly different."

Don Terry plays the lead in his first picture and June Collyer is more beautiful than ever.

GROWING GREEN DUCKS

Growing green ducks is an occupation which returns handsome profits for the money invested. Experimental work at the Central Experimental Farm, Ottawa, shows that Pekin ducklings averaged six pounds each in ten weeks, and made a net profit, over cost of feed and duckling, of \$1.38 each. The ducklings of the Pekin breed made at least one-half pound heavier gains than ducklings of other breeds.

Ducklings intended for marketing as green ducks should be of the Pekin breed because of their early developing qualities, and they must be forced by special methods of feeding.

Frequent feeding promotes rapid growth. Young ducklings should be fed six times daily from the start until they are two to three weeks old, and five times daily until they are ready for market.

The feed used for growing ducklings at the Experimental Farm, Ottawa, is equal parts of bran, shorts, and cornmeal with about ten per cent beef meal added. A little charcoal (about one per cent) is also recommended. This mash should be moistened with water, but not made sticky or sloppy. Add only sufficient water to make the meal stick together. Sprinkle coarse sand over the mash before feeding. The sand serves as grit and aids in the process of digestion. Feed only what the ducklings will eat up clean at each feeding.

After the ducklings are four or five days old some green food should be given such as clover or alfalfa which has been freshly cut, and chopped up fine. Start with only a small amount of this material and gradually increase it until the mash contains about one-fifth green food.

When the ducklings are about six weeks old the green food should be gradually eliminated and at the commencement of the seventh week the mash should be changed to one possessing more fattening properties. The fattening mash used at Ottawa is 50 pounds cornmeal, 35 pounds shorts, and 15 pounds beef meal, with a sprinkling of coarse sand.

By the time the ducklings are ten weeks old they should be in excellent flesh and have developed their first coat of body feathers. This is the right time to market them. If they are kept longer they will change their feathers, and the rate of growth will decrease, thus increasing the cost and reducing profit.

A. G. TAYLOR,
Central Experimental Farm,
Ottawa, Ont.

The new thirty-thousand-dollar dam at the mouth of Okanagan River, Penticton, was completed last week and stop logs of the old dam have been lifted. With the raising of some of the stop logs of the old dam, which lies perhaps fifty feet north of the newer structure, considerably more water was allowed to pass down the river and, as a consequence, water will now be available for the big irrigation main at Oliver which, so far this spring, has been virtually dry.

Services: Sunday, 11 a.m.; Sunday School, 10 a.m.; first Wednesday, Testimony Meeting, 8 p.m. Reading room open, Wed. and Sat. afternoons, 3-5 p.m.

GUILD OF HEALTH.—Weekly scripture study for all interested in the subject of Spiritual Healing.

Subject for meditation: "For what should we pray?"

Mark 11, 24. John 14, 14. James 1, 17. James 5, 16, 19, 20. Matt., 26, 39. Eccl., 11, 5. John, 20, 23.

What is there in human life, in the life we live day by day, about which we can pray this prayer of faith; praying with the absolute conviction and assurance that God desires us to have, and that He has pledged Himself to give, pray, knowing that when we pray, we have received? We answer at once Health for Body and Soul, and also material necessities. We all know we can go to God and pray for Spiritual things. If you want any spiritual quality, faith, meekness, purity, truthfulness, go to God in the Name of Jesus Christ and believe, ye have received them.

The Okanagan district has available again this year the Ton Litter competition, in which considerable interest was evidenced last year when some very choice market hog were shown at the North Okanagan Fair. The Ton Litter competition aims at encouraging the production of a commercial scale of quality hogs and the substantial prizes awarded to the winners are worthy of consideration. All farmers who have a promising litter or two are urged to enter in this competition. Entries are being received for the Okanagan district by Mr. Mat Hassen, secretary of the North Okanagan Fair, Armstrong.

THE WHIRL

'Tis the merry month of May and
once more the cycle of the year brings
near at hand the annual Whirl of the
Gyro Club of Kelowna, an event typical
of the light-hearted gaiety of spring,
but behind it ever a serious motive—an
objective designed for community bet-
terment.

This year the Gyros are concentra-
ting their efforts to secure improve-
ment of the Hospital grounds, a worthy
purpose which shared in their double
objective last year. For years the area
between the Hospital building and Pen-
dozi Street remained in an unattractive
and somewhat unkempt condition, with
a number of the native trees in a state
of decay. With the renovation and ex-
tension of the institution that has been
carried out, it became essential that its
surroundings should share in the gen-
eral scheme of improvement, and a
worthy deal has been accomplished al-
ready in this respect, but more remains
to be done and more money is required,
hence there should be generous sup-
port by the public of the Whirl next
Thursday evening, May 9th.

The Gyros have quite won the hearts
of the people by the unselfish energy
and cheerfulness with which they should-
er their self-imposed tasks for com-
munity welfare. By repeated demon-
strations, they have established confi-
dence in their ability to provide whole-
some entertainment of a high order of
excellence, and there should be a record
attendance at the event next week.

MINISTERS ARE GUESTS AT DINNER

(Continued from Page 1)

After praising the comfort and ap-
pearance of the Royal Anne and be-
stowing commendation on the "since-
and enthusiastic" essays on Clean-Up
Week, the speaker got off a funny
story before settling into a more ser-
ious vein. His address was inspiring
and eloquent and merits reproduction
at length but unfortunately consid-
erations of space do not permit. Its
key-note, as summed up by himself, was
an appeal to foster a spirit of home loy-
alty, to develop all branches of indus-
try and to get away from the old idea
of dependence upon certain basic indus-
tries, such as lumbering, mining and
fishing, which, splendid as they were,
exhausted natural resources. He urged
constant inculcation and practice of
a spirit of loyalty to things produced
in the province, not merely a spasmodic
buy-at-home week, but consistent use
throughout the year of things manu-
factured in British Columbia, pointing
out that even if one institution was
made a success through such support,
it would be an inspiration to others.

Mayor Sutherland was called upon
by the chair to introduce the Minister
of Education, which he did in a few
graceful words.

Hon. J. Hinchliffe

At the outset of his remarks the
Minister refused to be serious. He said
he was enjoying his holiday in Kelowna
to the full. He had attended the
wonderful Musical Festival and had to
make a speech; he had preached twice
on Sunday, had visited nine or ten
schools, the Hospital, etc., on Monday,
and altogether was enjoying a well-
earned "holiday." (Laughter.)

Referring to the Festival, he said a
request had been made to the Govern-
ment for financial assistance. The Gov-
ernment was willing but was not sure
as to the method of aid. After having
attended the Festival, he had reached
the conclusion that any assistance that
might be given would have to take a
different form from that which had first
been contemplated.

Turning his batteries of gentle rail-
lery upon his colleague, Hon. R. L.
Maitland, he said, and I am sure, that
the Government never allowed these
young fellows to go round and speak
by themselves, and his particular job
was to follow up Mr. Maitland and
smooth off any rough end, giving it
dignity, tone and finish. They would
agree that he was entitled to a great
deal of credit for the wonderful address
his young colleague had made, due to
the speaker's restraining influence.

In more serious vein, the Minister
said that in advocating development of
home loyalty, Mr. Maitland had based
his arguments on the material advan-
tages of such development, but it re-
mained for the speaker in his capacity
as Minister of Education to say that
the greatness of a people was not mea-
sured by the tons of mineral produced,
the millions of feet of lumber cut, the
thousands of cases of salmon or the
boxes of apples grown, but de-
pended entirely upon character. While
the effort was being made to make the
country prosperous materially, it was
their duty to go a step further and to
cultivate in the youth the noblest and
highest ideals of citizenship. His vision,
without disrespect to Mr. Maitland,
went a little further and saw a people
with character sweet and clean as the
mountains that surrounded them.

However, he had no intention of be-
ing serious. He had himself had a
very serious day and Mr. Maitland's
speech contained all the serious matter
they wanted. Mr. Hinchliffe there-
upon delighted the old-timers present
with characteristic anecdotes of a mu-
tual friend, the first man he had met
from the Okanagan and an old friend
of his in Alberta, Mr. William Postill.

CONFERENCE ON EDUCATIONAL PROBLEM

(Continued from page 1)

ized that the incidence of taxation for
school purposes was unjust. He re-
quested suggestions to assist him to frame
legislation to be introduced at the next
session of the Legislature for the pur-
pose of remedying these conditions as
far as possible. A striking case of un-
fairness of school taxation was afforded
in the Municipality of Richmond,
where, at Steveston, 95 per cent of the
scholarship children of the Japanese
fishermen, who lived generally in
houseboats and paid no taxes. The
result was that the white property own-
ers paid for the education of the Ja-
panese children. Recognizing the injus-
tice of this, the Japanese fishermen,
who earned very high wages, volun-
tarily contributed several thousand dol-
lars yearly towards the cost of the
schools, but the amount was not an
adequate share. He enquired if there
was any similar case in the Kelowna
district where any large number of
people had their children educated but
did not bear their share of the cost.

Mayor Sutherland said, in reply, that
while there was no particularly marked
shirking of school taxes by any consid-
erable section of the community, if school
costs continued to increase in future
as they had done during the past ten
years, it would soon be impossible for
municipalities to meet the expense of
education. As an instance, he pointed
out the case of Rossland, which had
been compelled to levy 33 mills for its
schools and, in an effort to avoid an
extremely high total rate, had neglect-
ed its water system, with the result
that when a big fire broke out a large
area of the city was destroyed. During
the past ten years, the total taxation
in thirty-three cities of the province
had increased 24 per cent, while the
school part of the taxation had increas-
ed 87 per cent. This meant starving the
general requirements of cities other
than schools, and if the condition con-
tinued, an impossible state of affairs
would eventually. His idea was that
the municipalities should give every
child a good common school education,
but should be relieved entirely of the
cost of any higher education.

The Minister: "Who should pro-
vide the higher education?"

Continuing, the Mayor said he was
delighted to see that the Minister of
Education was making an attempt to
cope with the problem and was not
afraid of unpopularity. His suggestion
was that the parents of High School
pupils should pay for their education.
To raise money by way of poll tax,
he considered unfair, as it took no cog-
nizance of income.

The Minister said he was glad to
hear what the Mayor had said, as it
was concrete suggestions he wanted.
He would not say that they would be
adopted, but they would be very use-
ful in working out legislation, and he
thanked the Mayor for what he had
put forward.

Trustee Adams had no suggestion to
offer as to the means of so doing, but
felt that some method should be de-
vised of making people who lived in
rented houses pay their fair share of
educational costs.

Mr. McTavish said that, if rents were
adjusted properly, property would pay
its share of school costs.

Mr. Adams replied that he had just
been waiting to hear that statement. As
a matter of fact, property in small
towns could not be rented at a rate
sufficient to pay proper interest on the
investment.

A Universal Income Tax

Hon. Mr. Hinchliffe cited the case of
loggers at the Coast earning big wages
but living in rented houses as furnish-
ing another instance of failure to bear
an adequate share of the cost of educa-
tion of their children. The Educational
Survey Commissioners had advocated a
universal income tax for school pur-
poses.

Trustee Chapman expressed approval
of such a form of taxation, as being
fair all round. Some people paid a very
small rent but had large families, cost-
ly to municipalities to educate. He
quoted an instance of a man who had
purchased a lot to add to his holdings,
so as to obtain for his large family the
exemption from High School fees
granted to people who paid \$20 a year
or over in taxes. The taxes cost the
man \$80 a year, but the education of
his children cost the City a great deal
more.

The Mayor enquired whether the
Minister had in mind the putting of the
Public and High Schools on different
bases, to which the reply was in the
negative, with the addition that the
Government was not prepared to take
over the administration of any schools.

A negative answer was also given to
a question by His Worship whether
those already paying school taxes
would be exempt from the proposed
educational income tax.

Ald. Gordon suggested the possibility
of additional taxation upon motor cars,
of which there were about 1,000 in the
city, but only about \$3,000 was received
as Kelowna's share of the motor li-
cences.

The Minister replied that the revenue
from motor cars was already earmarked
for roads, and even if that were not
the case, it would be an uncertain quan-
tity, as some towns with only fifty cars
might have a much larger number of
schools than towns with many cars.
Education was generally recognized as
being a provincial duty, so that, if one
man was taxed in the province for
school purposes, every one in the pro-
vince should be taxed also, or, if one
acre was taxed for school purposes,
every acre should be so taxed. He was
not trying to pick out any class for
taxation, but was endeavouring to make
the incidence of taxation fair and equi-
table.

Following out this, said the Mayor,
there would be no exemptions provided
in a universal income tax. As a general
rule in matters of that kind, there was

turn out young people filled with am-
bition to be big citizens of a big pro-
vince, in the finest country on earth.
(Applause.)

On the proposal of Ald. R. F. Morris-
son, a hearty vote of thanks was accord-
ed to Hon. R. L. Maitland and Hon.
J. Hinchliffe for their addresses, and
the meeting then adjourned.

The local Corps of the Salvation Army and the public in general of Kelowna and surrounding districts are greatly privileged in having the opportunity on Sunday night, May 5th, in the Empress Theatre, of hearing Commissioner Charles Rich, the head of the Salvation Army in Canada West. Commissioner Rich has just recently returned from the Old Country where he attended the High Council, which decided the recent change in the Army's leadership. If you are at all interested in the Salvation Army, do not fail to hear what the Commissioner has to say.

Local and Personal

Miss Eva Greene went to the Coast last week by Canadian Pacific.

Mr. C. B. Winter went to the Coast by Canadian National on Monday.

Mr. and Mrs. George Royle left today by Canadian Pacific for Vancouver.

Mrs. N. D. McTavish left on Thursday last by Canadian National for Vancouver.

Mrs. Claude Whitehorn left on Friday by Canadian National for the Old Country.

Mr. and Mrs. George Kerr left on Monday by Canadian National for Vancouver.

The last car of the 1928 fruit crop to be shipped by the Canadian National Railway left Kelowna on Tuesday.

Miss Eva M. Jordan, who represented the Vancouver Morning Star at the Musical Festival, returned on Sunday to the Coast.

A case of petty thievery was reported to the City Police on Friday night, when groceries were stolen from an automobile parked on the city streets.

Dr. J. J. Landsbury, of Eugene, Oregon, and Dr. Frederic Rogers, of Vancouver, adjudicators for the musical classes at the Festival, returned on Sunday to their respective cities.

Mr. A. L. McCallum, of Revelstoke, has been transferred to the local branch of the Canadian Bank of Commerce, succeeding Mr. G. C. Wade, who has been moved to the Penticton branch.

Mrs. M. F. Jolley and daughters, Misses Marjorie and Ruby Jolley, left on Monday by Canadian Pacific for the Old Country. They will sail from Montreal on the "Duchess of York," May 3rd.

Dr. and Mrs. J. W. N. Shepherd motored to Sicamous on Wednesday to meet Mr. and Mrs. C. E. Barnes and Miss Betty Shepherd, who are returning today from a seven months sojourn in Italy, France and England.

Extraordinary pressure of meetings and other events upon our time and space this week compels omission of the usual radio programme, hotel registrations and other material and "boiling down" some of the matter published.

On Sunday last a pelican, a rare visitor to the Okanagan, was seen on the lake by Mr. W. A. Newton, opposite his home on Patterson Avenue. The bird was apparently on a fishing expedition, in advance of the opening day, May 1st.

Charged with being found in an intoxicated condition, a culprit was arraigned before Magistrate Weddell in the City Police Court last week and was sentenced to serve thirty days in jail, being unable to meet the alternative of a fine of \$25.

Mrs. C. H. Burns and daughter, Olive, left on Sunday for points in Manitoba and Saskatchewan, where they will visit friends prior to Miss Burns' entrance into the Success Business College, Winnipeg, where she will pursue a course in secretarial work.

Mr. and Mrs. Frank Laxon and little daughter left on Saturday for Scotland, sailing on the Minnedosa from Montreal to Glasgow. Mrs. Laxon has been called home on account of the illness of her father, Mr. Thomas W. Stirling, formerly of Kelowna, now of Linlithgow, Scotland.

The Harding Hardware Co., Ltd., are taking over the agency, formerly held by Messrs. Glenn & Son, of the McCormick, Deering farm implements and repairs. They will give the good service and satisfaction that is always given by the McCormick, Deering Co. and are stocking a quantity of repair parts, etc.

Returning this week for a brief visit to Kelowna, his former place of residence, after an absence of seven years, Mr. H. (Bert) I. Johnston, now of Vancouver, was astonished at the progress made by the town and pleased with its general air of prosperity. During his short stay he renewed many old friendships.

Alteration of the premises on Bernard Avenue formerly occupied by the late Mr. W. Crawford, having been completed, a new candy store was opened on Saturday last. Known as "K Kandies," the products of the new store are home made. Mr. and Mrs. Davidson, formerly of Salmon Arm, are the proprietors.

The Kelowna-Westbank ferry returned on Saturday from Okanagan Landing, where it was inspected and overhauled. Damage to the hull caused by ice was repaired, and a new coat of paint was applied. The ferry resumed operations at 7 p.m. on Saturday, displacing the tug and scow which had been in use in its absence.

Mr. and Mrs. A. C. Anderson and Mr. and Mrs. Reg. Geary, who arrived from Vancouver last week, having motored here via the States, left yesterday on the return trip by the Fraser Canyon. While in Kelowna Mr. and Mrs. A. C. Anderson were guests at the Willow Inn, and Mr. and Mrs. Geary stayed with Mrs. W. Geary.

Mr. Eustace Smith, of Toronto, Supervisor of Service, Canadian National Railways, was in town over Tuesday night and took advantage of the opportunity to call upon some of the very few old-timers who were in the district when he was manager of Guisachan Ranch in 1891-92, then owned by the Earl (now Marquis) of Aberdeen.

Messrs. O. L. Jones and E. W. Barton are leaving this week for the Coast, where they will represent the local branch of the Canadian Legion at the convention to be held at Chilliwack on May 9th and 10th. During the absence of Mr. Barton, the routine work of the Board of Trade office and other associations of which he is secretary, will be handled by Mrs. Meugens.

The Kelowna Hospital nurses' annual dance was held last night at the Eldorado Arms. Quite a large number attended and an enjoyable time was spent. During the evening supper was served, and the music was provided by the Kelownians Orchestra.

The Boy Chorists of St. Michael and All Angels will leave for the Coast on Monday next, by Canadian National Railway, to take part in the B.C. Musical Festival, which held the official opening last night, May 1st, and will continue until May 11th. It is hoped that this year's winner of the Boy's Solo Competition at the Okanagan Festival, Frank Gallagher, Oyama, will accompany them.

An illustrated article on the Central B.C. badminton championship matches, played here, the material for which was contributed by Mr. R. Seale, Hon. Sec.-Treas. of the Kelowna Badminton Club, appeared in the March issue of "Canadian Lawn Tennis and Badminton." The results of the finals were given in detail and a large and particularly excellent group photograph of the finalists was published.

On Sunday several boys "dropped in" on Father Neptune to herald the advent of an early summer. The boys reported that, although Ogoogo had been seen recently at Westbank, no signs of his place of habitation had been apparent in the east-side dells of the Okanagan. The water is still cold, but Freddie Burr, one of the Sunday aquatics, is preparing to capture the fancy diving event at the next Regatta.

Mr. Ernest R. Gowen, formerly of the Hudson's Bay Company, Fort Good Hope, North West Territories, about 1,500 miles north of Edmonton and within twelve miles of the Arctic Circle, where he spent a period of about twenty years, returned to Kelowna last week from a trip to England, and is now visiting his mother, Mrs. Gowen, of this city. Mr. Gowen is on a year's leave of absence, but it is understood that it is not his intention to return to the Arctic Circle.

A modern cigar and tobacco store, barber shop and billiard room was opened on Monday in the premises formerly occupied by Mr. H. F. Hicks, Bernard Avenue. An up-to-date billiard table has been installed in a separate room, giving privacy to players, while the tobacco section is shared with the barber shop. Two chairs are available for the patrons of the barber, Mr. C. Roth, and the tobacco and billiard sections are under the capable management of Mr. R. Haldane.

A very pleasant afternoon was spent at the home of Mr. and Mrs. D. C. Middleton, Fuller Avenue, on Friday last, when about twenty friends assembled to congratulate them upon the occasion of the fortieth anniversary of their marriage. Mrs. Middleton was presented with a beautiful grey handbag, and a tobacco pouch, given to Mr. Middleton, was much appreciated. In a room decorated with spring flowers, a dainty repast was served, following which the party dispersed amid a shower of confetti and many good wishes for the continued happiness of Mr. and Mrs. Middleton.

Chief Constable Thomas wishes attention called to the following regulation of the Motor-Vehicle Act, namely:—"Flag or light at end of load. In the case of a motor-vehicle or trailer upon which is carried any lumber or thing which projects more than four feet from the rear of the motor-vehicle or trailer, there shall be attached and displayed at all times, at the rear end of the projecting lumber or thing a red flag not less than twelve inches square, and during the period from one half hour after sunset to one half hour before sunrise, there shall also be attached and displayed at the rear end of the projecting lumber or thing, a red light."

OBITUARY

Mr. T. Alder D. Bliss

Kelowna friends regret to learn of the bereavement of Mrs. E. C. Weddell, through the death of her father, Mr. T. A. D. Bliss, who paid a visit to Kelowna a few years ago. The following obituary appeared in a Hamilton paper:

"The death occurred yesterday (April 16th) of T. Alder D. Bliss, son of Archdeacon Forster Bliss and grandson of Chief Justice Bliss, of New Brunswick. Deceased was born at Springhill, N.B., and was a descendant of an United Empire Loyalist family. The late Mr. Bliss had resided in Hamilton for the past three years and was a member of Christ's Church Cathedral. He had been with the Civil Service in the Customs Department at Ottawa for 37 years and was Scout Commissioner for 15 years. He was being also on the Board of Directors of the Y.M.C.A. and Men's Rescue Mission, and past President of the Ottawa Boys' Home. He took an active interest in All Saints' Church at Ottawa and taught Sunday school for fifty years. Deceased was also a member of the Rotary Club and a former officer with the 2nd Battery, Canadian Field Artillery. He is survived by his wife, formerly Kate Blurry DuMoulin, daughter of the late Bishop DuMoulin; two sons, A. E. Bliss and Frank D. Bliss, both of this city, and a daughter, Mrs. E. C. Weddell, of Kelowna, B.C.

"The funeral was held on Thursday afternoon (the 18th instant), from the residence of his son, A. E. Bliss, 47 Forest Avenue, to Christ Church Cathedral. A private service at the house was conducted by Rev. Dean L. W. B. Brown. The Right Rev. D. T. Owen, D.D., Lord Bishop of Niagara; Right Rev. J. A. Newnham and Rev. Dean L. W. B. Broughall officiated at the cathedral. The pallbearers were S. S. DuMoulin, E. C. DuMoulin, J. A. Henderson, A. G. Alexander, John Bowstead and Dr. J. F. Houston."

Fishing in the Salmon Arm district is reported good. Anglers at Sorrento recently did remarkably well, and steelheads are coming into this portion of the lake.

B.C. leads in Canada in the production of lumber and shingles, exceeding the production of Ontario and Quebec.

CABINET VISITS

KELOWNA IN STRENGTH

Four Ministers of The Crown in City During Past Week

During the past week Kelowna has been favoured with visits from no fewer than four members of the Provincial Cabinet.

On Wednesday, April 24th, Hon. F. P. Burden, Minister of Lands, and Hon. Wm. Atkinson, Minister of Agriculture, arrived in company with Dr. W. H. Gaddes, Special Commissioner, to investigate certain matters in connection with irrigation, upon which Dr. Gaddes is preparing a report for submission to the Government. The party left by car the same evening for the south to visit Oliver, proceeding from there to Creston and then to the Coast.

Hon. J. Hinchliffe, Minister of Education, arrived by the C.N.R. on Saturday and was the guest of Hon. J. W. and Mrs. Jones until Tuesday. He attended the afternoon session of the Musical Festival and presided at the grand final concert on Saturday night. Hon. Mr. Hinchliffe, who is a man of many parts, being an ordained clergyman of the Church of England, in fact a Canon of Christ Church Cathedral, Victoria, as well as a barrister-at-law, preached eloquently to large congregations at the morning and evening services in St. Michael and All Angels on Sunday. On Monday, he met Trustee Chapman and Inspector Hall at the site of the new school, which he inspected, and thereafter he visited all the Public School rooms, speaking to the teachers and children in each room, including the domestic science and manual training. He also visited the Kelowna Hospital and the Okanagan Bacteriological Laboratory, which is carried on there. He expressed himself as delighted with the schools and the Hospital.

During the afternoon, Mr. Hinchliffe paid a visit to the Rutland school, in company with Hon. Mr. Jones and Inspector Hall. He visited all the rooms, in each of which he said a few words, and met the Trustees. Later, he met the Rutland and Glenmore Trustees in Mr. Jones' office and discussed with them the subject of school taxation. Still later, he attended a larger conference on the same question in the Royal Anne dining room, which lasted for nearly two hours and he wound up by speaking at the quarterly dinner of the Board of Trade in the evening.

On Tuesday, the indefatigable Minister visited the High School, speaking to the teachers and students in each room, and at noon was the guest of honour of the Rotary Club, together with Inspector Hall. He spoke for about fifteen minutes on educational topics, and he asked the members to give careful thought to the whole problem of education and to forward to him any constructive suggestions they might evolve.

Leaving at two o'clock, Hon. Mr. Hinchliffe drove to West Summerland together with Hon. Mr. Jones and Inspector Hall, and then to Penticton, where he met a number of School Trustees in conference. Returning on the "Sicamous" on Wednesday morning, he motored to Vernon, with Armstrong, Salmon Arm and Kamloops also to visit before completing his "holiday," as he jocularly termed his trip, and returning home to Victoria.

On Monday, Kelowna was host to the fourth member of the Cabinet in the person of Hon. R. L. Maitland, of Vancouver, minister without portfolio, who was a guest of the Board of Trade at the quarterly dinner and delivered a most eloquent and interesting address, as reported in brief elsewhere in this issue.

AGREEMENT ON TOMATO PRICE IS REACHED

(Continued from page 1)

tlement of the price question in that a surplus of Earliana plants would be available from the Kelowna district with which to supply growers at the south—places which they could use in place of the John Baer, thus avoiding the necessity of supplying this smooth variety to the cannery at the price of the Earliana.

Continuing, Mr. Spall stated that he approached Messrs. King and Hack, of the Oliver Local, and presented the proposition to them, asking if they would agree to forego their claim to the John Baer variety and accept Earliana plants from the Kelowna district to replace the smooth variety. They agreed to do so, and the Association now had on file a resolution from the Oliver Local endorsing any future action taken by the Central Executive. The President said that he wired to Mr. Hollos for confirmation of his offer of \$17.50 per ton for tomatoes for canning purposes, and the confirmation had been received. In his confirmation, Mr. Hollos stipulated that the Association must not sell to others at a lower price than that paid by Dominion Canners, and that the conditions of the contract would be the same as last year. They would require approximately the same acreage as last year, as well.

Surplus Plants To Be Sent South
Considerable discussion followed the presentation by the President of the Oliver situation. Mr. Spall reiterated that, as only seventy per cent of the Kelowna acreage would be required this year, there would be an ample surplus of plants with which to provide the south—in fact, he said, the surplus would be far in excess of the demands of Oliver. He personally, had more than he required, and it was usual for all growers to carry a surplus.
Mr. H. B. Lysons asked on what date Oliver would require the plants, stating that he thought the majority of growers would not let their early plants go before May 30th, at least.

Mr. Hack, of Oliver, replied that they would be required on or about May 15th.
The question of price next arose. It was first suggested that the plants be supplied to the Oliver growers free of cost, but, at the suggestion of the Oliver representatives, who felt they would get value for their money, a price was set of \$3.50 per thousand, which was agreeable to all. The following resolution moved and seconded by Messrs. A. L. Baldock and W.

Beautiful Cretonnes
AT SPECIAL PRICES

Now is a good time to plan summer Cretonne needs for window hangings, spreads, scarves, pillows and slip covers.

Strikingly beautiful Summer Fabrics for your windows are offered at special prices this week. Take your choice from a score of patterns—small chintz, large floral and bold effects—designs. Wonderful colour combinations that will combine well with all kinds of home decorating plans or furnishings.

LOCAL RADIO STATION WILL CONTINUE

(Continued from Page 1)

investigator of the Department, but it would be two or three months before any such official would be able to proceed to Kelowna.

It was felt that this was a long time to wait for rectification of the trouble, which is judged to be a very simple matter, and it was decided, upon motion by Dr. Shepherd and Mr. T. G. Griffith, to write the Superintendent of Canadian National Telegraphs at Vancouver, calling his attention to the interference caused by his local office, informing him that the C.N.T. Telegraphs had taken successful measures to cope with similar trouble in their office, and asking him to do likewise, in view of the fact that it would be several months before the radio inspector could make an investigation and report.

Financial Statement

The annual financial statement showed receipts totalling \$627.66 for the period from April 1, 1928, to April 25, 1929, consisting of membership fees, \$90.00; donations, \$500.00; subscriptions, \$24.50; sundry receipts, \$9.38; refunds, \$3.78. The bank balance at April 1, 1928, less outstanding cheques was \$57.40, making a grand total of \$685.06 for the year. The expenditures were connected chiefly with repair of the generator and replacements and supplies for the broadcasting equipment, including: repairs to generator, \$132.54; express on generator, \$20.43; replacements and improvement supplies, \$340.44; telephone rentals, \$52.00; miscellaneous, \$26.33; sundry expenses, \$29.02; refunds, \$3.78. The outlays totalled \$604.54, leaving a balance of \$80.52 in bank.

Nearly 250 Licensees In District

The annual report of the Secretary-Treasurer gave details of attendance at directors' meetings and other details of no particular interest to the general public, but also contained some interesting statistics as to the number of holders of licenses for radio receiving sets in Kelowna and the surrounding district, as follows: Kelowna City, 131; Benvenuto, 12; East Kelowna, 7; Ellison, 3; Glenmore, 8; Okanagan Centre, 8; Okanagan Mission, 6; Oyama, 11; Peachland, 25; Rutland, 16; Westbank, 9; Winfield, 7; or a total of 243 within a radius of twenty miles from Kelowna.

Operation of Station 10AY

Mr. Dunn, as operator of Station 10AY, presented a full report upon the difficulties experienced last year consequent upon serious breakdown of the broadcasting apparatus, from which excerpts are made as follows:

"Reviewing the result of the activity during the past year, eighteen broadcasts were made. Of these ten were church services, two recitals of sacred music and six of Victor recordings. In the financial statements presented to you for approval this evening it is recorded \$571.74 was expended on this activity during the period under review. In other words, the average cost of each broadcast was \$31.76. Another phase: during the past three years we have disbursed over \$2,000.00 in the operation and improvement of 10AY. With exception of \$650 paid for the remote control apparatus, I must accept the responsibility of having recommended the major portion of this expenditure. You are aware of the unfortunate interruptions to our broad-

MAY ISSUE OF "ROD AND GUN"

The May issue of "Rod and Gun and Canadian Silver Fox News," the well known Canadian outdoor magazine, contains a very interesting selection of stories and articles. Among these are the regular contributions of "Bonny-castle Dale, Robert James and J. W. Winslow" of established merit, while in addition to these there are several splendid hunting, fishing and outdoor stories by other authors.

The special department on angling, guns and ammunition, outdoors and kennel are packed with highly interesting material for all outdoor lovers and the "Canadian Silver Fox News" section with instructive articles concerning this great industry by well known authorities.

casts caused by the breakdown of apparatus. You will recall Mr. Brown, the radio expert who installed the remote control apparatus, informed you that the quality of the various instruments of which the transmitter was composed was similar to that used in commercial stations and our transmitter compared very favourably with some of the commercial stations at the Coast. It would be wearisome if I attempted to satisfy you that the damage to the equipment was not caused by the carelessness or inefficiency of the operator. Electricity at radio frequency in a transmitter, once it gets beyond control, is as destructive to the transmitter as lightning is to the object it strikes.

After referring to the success of the campaign instituted to collect sufficient funds to repair the apparatus, instal additional safety devices to prevent a repetition of the trouble and provide equipment for improving the quality of the broadcasts, Mr. Dunn's report continued:

"After many tests of the reconstructed transmitter, in which I received valuable assistance from Mr. H. A. Blakeborough, the first broadcast from same was made on the 11th instant. The maximum power used since reconstruction was during the broadcast last night, when the transmitter was operated at about 75 per cent of its full rated power. The transmitter has not been operated at its full rated power since it was rebuilt.

"You are probably expecting an assurance that there will be no further interruptions to the broadcasts and that I can guarantee a steady and reliable service in future. Frankly, that is impossible, nor do I expect ever to be in that enviable position. However, I can assure you the recent additions have greatly reduced the risk of future trouble, as, with one exception, they were all made for that purpose. I have no knowledge of any additional protective measures which could be taken. The exception to which reference was just made is the installation of a new modulation choke for the purpose of improving the quality of the broadcasts. All reports upon our recent broadcasts are unanimous that we are close to perfection in this respect."

Mr. Dunn also stated that last November he had been advised by the Deputy Minister of Marine & Fisheries that, although the licence of 10AY provided for a maximum of 25 watts input to the antenna, a 50-watt tube was being used as the oscillator, and he was requested to take steps to insure compliance with the terms of the licence. Action had been taken to induce the Department to permit continuance of the conditions existing, but there was nothing final to report.

Intimation also had been received from the Department that, while the licence for 1929-30 would be renewed, further renewal in the case of amateur broadcasting stations would depend upon the report of the Radio Commission now conducting an enquiry. As there were only twelve such stations in the whole of the Dominion, the amateur stations would probably be the first to be eliminated in the event of the Commission recommending a reduction in the number of broadcasting stations.

In view of these matters, Mr. Dunn requested the members to consider seriously whether the expense and work entailed by the local broadcasting activities were warranted by the benefits, if any, derived therefrom, and he asked for frank and thorough discussion of the question.

Many complaints as to various forms of local interference with radio reception had been received during the year, and the Technical Committee had dealt with them as adequately as lay in their power, considering that they possessed no equipment to aid them in locating the many sources of annoyance. An expression of opinion might be given by the meeting as to whether such equipment should be purchased.

Acknowledgment was made of the assistance given by Mr. A. C. Poole through use of his hall for general meetings. Mr. J. Dayton Williams for music supplied for broadcasts, and the City Council for the generous grant of \$100, also of the efficient service rendered by the retiring Secretary, Mr. D. G. Balsille, and the Directors.

In conclusion, Mr. Dunn said he was unable to undertake the work and responsibility of an executive officer of the Association combined with that of operator of 10AY for another year, and he asked to be excused from holding office.

A lengthy discussion followed submission of the President's report, principally on the point whether the Association would be able to continue the operation of 10AY.

Mr. H. A. Blakeborough regretted the indifference shown by owners of receiving sets, as evinced by the small attendance compared to the three hundred cards sent out.

Mr. G. C. Rose advocated resurrection of the plan formerly outlined of securing voluntary annual subscriptions from fruit firms and organizations as an aid towards the publicity provided through broadcasting, and urged that it was preferable to endeavour to secure somewhat of a permanent revenue in this manner instead of "passing the hat," which was objectionable and imposed an invidious task on those who had to do the collecting.

Mr. Dunn, in reply, pointed out certain difficulties, the chief one being that no advertising was permitted to be broadcasted by any amateur station, which naturally limited to a considerable extent the direct value of broad-

casting so far as subscribers were concerned. It was a more costly matter to operate a small commercial station, and the prospect of advertising revenue was small, so that there seemed to be no inducement to apply for a commercial licence.

Mr. P. Capozzi thought that many radio fans were indifferent to the local station, because they simply regarded it as an interference. He enquired as to the maximum range of the station.

Mr. Dunn replied that he had received advice of reception from Pasadena, Cal., and a number of points in Alberta and Saskatchewan, and the basketball games broadcasted last year were picked up at Victoria and Calgary. He was not receiving as many acknowledgments as at the outset, simply because radio was no longer a novelty.

Mr. T. G. Griffith expressed cordial appreciation of Mr. Dunn's manifold labours both in operation of 10AY and in maintaining the organization of the Radio Association, and deemed it a shame if the station had to go off the air. He reckoned that \$500 a year should provide for all maintenance and operation expenses, a sum which should not be difficult to raise.

Mr. J. R. Campbell suggested that all issuers of radio licences be provided with membership tickets in the Radio Association for sale, an idea which met with favour.

Replying to Mr. Blakeborough, who asked if he favoured another drive this year, Mr. Dunn said he was afraid that some of those who gave with a good grace last year would not do so again. Mr. Griffith said it was unfortunate the breakdown of the broadcasting apparatus had prevented the Ogopogo Club from carrying out their intention of giving a concert every week which would have been broadcasted, and to which a mission would also be available to the public through purchase of tickets at \$2.00, good for about thirty-five concerts. It had been hoped to raise about \$300 in this way, while the total expenses should not run over \$100. It was also proposed to put on a big concert once a year, not only here but at Vernon, Summerland and Penticton, in the hope of clearing \$50 or so on each of them.

The President's report was then adopted on motion by Messrs. Griffith and Blakeborough.

Messrs. Capozzi and Campbell moved that the operation of Station 10AY be continued, and that the Executive be instructed to use every endeavour to finance it. Carried.

Technical Committee

Mr. R. C. Johnston, in reporting verbally for the Technical Committee, said most of its work was covered by the President's report.

Mr. Blakeborough supplemented his fellow-committeeman's statement by stating that valuable work for listeners-in had been done in eliminating sources of interference. The West Kootenay Power Co., for instance, had been induced to spend several thousand dollars in interference prevention devices. When the radio inspector came round each year he was supplied with a map to assist him locating any troubles, and the Committee gave him all possible help in other ways. All owners of receiving sets should realize that practical and direct benefit was conferred upon them in this way by the Radio Association in bettering reception.

Social Committee

For the Social and Entertainment Committee, Mr. Griffith reported there had been no activity owing to Station 10AY being out of business for the greater part of the year.

Speaking as a member of the committee, Mr. J. Leathley said that, as there had been no broadcasting, there had been nothing for the committee to do. While a resolution had been passed that night declaring for the continuance of broadcasting, these seemed to be no sign of providing revenue except by collecting money, which was a poor way.

It was moved by Mr. A. Cather, seconded by Mr. J. R. Campbell, that a concert be held to raise funds. An amendment, moved by Mr. Blakeborough and duly seconded, to the suggestion of a concert be referred to the Executive, prevailed over the motion.

Election of Officers

A formal resolution was put through adopting or accepting the Secretary's report, financial statement and the reports of committees, and election of officers for the ensuing year was taken up.

Mr. Griffith was nominated for President but declined the honour on the ground that he had not been as frequent an attendant at meetings as he should have been. Dr. J. W. N. Shepherd then became the unanimous choice for the post, and Mr. Griffith accepted office as Vice-President. Mr. J. D. Laidlaw was chosen as Secretary-Treasurer, by acclamation. Mr. C. H. Jackson, who was accorded a cordial vote of thanks for his services during the past year, was re-elected Auditor.

Mr. Gordon were chosen as members of the Broadcasting Committee; Messrs. H. A. Blakeborough and R. C. Johnston were re-elected as the Technical Committee; Rev. A. K. McMinn (re-elected) and Mr. P. Capozzi were allotted the duties of Finance Committee, and Messrs. J. R. Campbell and A. Cather those of the Social and Entertainment Committee.

On vacating the chair in favour of the new President, Mr. Dunn thanked the latter for the support given him during his term of office, and the members for their attendance.

Votes of thanks were passed to the retiring officers for their services, to the Courier for publicity and to Messrs. A. C. Poole, J. Dayton Williams and the City Council for material assistance given, as mentioned in the President's report.

The meeting then adjourned.

The Chilliwack Potato Growers' Association was organized at a meeting of growers held last week. The new association adopted the Nette Gem and Burbank as late varieties to be grown and strongly recommends that all growers confine themselves to the growing of these two varieties. The Chilliwack Board of Trade will be asked to finance the new association until next marketing season.

EMBARRASSING MOMENTS

RUTLAND

The R.A.C. held a most successful dance in the Community Hall on Thursday last. While larger crowds have been seen at the hall, the attendance was sufficiently large to make the affair a social and financial success without overcrowding the floor for dancing.

In addition to dancing, there was a short concert programme. Three numbers were given during the early part of the dance and three after the supper. Messrs. Irwin and Quigley gave a cornet and trombone duet, "Jim" Browne favoured with two vocal numbers and Mrs. E. Mugford and Miss F. Olsen gave a pianoforte duet which received a well deserved encore. After the supper Ken Bond and Pete Ritchie gave a turn from the Scout concert, singing "Don't do that to the poor Pussy Cat." As an encore they sang "The Prune Song." Mr. Bert Johnson gave one of his inimitable dialect monologues, and had to respond to two encores. A comic song "The Big Rock Candy Mountains," by H. McIvor and A. Gray, concluded the concert turns.

At the commencement of the recent Basketball League season, it had been agreed that the winners should be guests at a dinner, costs to be paid by the losers. This idea was abandoned in favour of a dance, to which the losers, Oddfellows and Winfield, contrib-

uted the orchestra and part of the refreshments respectively, while the winners, Rutland, got the net proceeds after paying all other expenses. By this fortunate arrangement, the club has been able to pay off all past indebtedness and leave a small balance in hand. The club is particularly indebted to "Scotty" Neill and the others in the orchestra for their part in making the dance the success that it was.

Congratulations are coming to many young people in Rutland for their success in the recent Musical Festival. The feat of the Junior Choir of the Rutland School in winning the North Okanagan Women's Institute shield is particularly gratifying, and great credit must go to their trainer, Miss F. Olsen. The Eutin family was very much to the fore in the pianoforte awards, the Gold Medal for the 16 and under class going to Beatrice Eutin, while Kermit and Gloria Eutin gained the Silver Medal for pianoforte duet, 12 and under class. For the pianoforte 14 and under, Evelyn Vaudour won the Silver Medal, while Peggy Price was recipient of the Silver Medal for sight-reading, 16 and under class. In addition, there were a number of others from Rutland that reached the finals, though not securing medals.

Rev. A. McMillan is the owner of a new car, having disposed of his old "flier" and purchased one of the

new Ford touring cars.

The Ladies Aid of the United Church met at the home of Mrs. Ford on Friday afternoon last. Amongst other matters, arranging for painting the church was discussed. The contract has since been let, and the work will commence shortly.

WESTBANK

Robin Drought, who has been seriously ill in Kelowna Hospital with pneumonia, is making good progress towards recovery.

Mr. W. H. Thacker returned from Halcyon Hot Springs on Friday, very much improved in health.

Mrs. Aird, of Vancouver, is visiting her parents, Mr. and Mrs. W. R. Smith.

Miss Jean Brown spent the past week visiting Mr. and Mrs. Harold Ewer at Vernon.

All the apricot, cherry and peach trees are full out in blossoms, the benches are most beautiful with sunflowers and the Saskatoon and June berries full of bloom.

Mr. J. D. Fraine, Superintendent of the Revelstoke division, Canadian Pacific Railway, since August, 1926, has been transferred to Kenora as Divisional Superintendent and will be succeeded at Revelstoke by Mr. J. J. Horn, Superintendent of the Kenora division since 1919.

WHALING AS A BRITISH COLUMBIA INDUSTRY

Over Three Hundred Whales Captured Last Year

It may be news to a good many people but whaling adds a tidy little sum every year to the British Columbia trade totals. Last year 305 whales were taken by the fleet of six steamers operating from the two whaling stations on the British Columbia coast and were used in the production of fish meal, fertilizer and oil. Figures covering the value of the 1928 production have not yet been finally revised by the Fisheries Branch of the Department of Marine and Fisheries but in 1927, when the number of whales killed was 47 less than in 1928, the value of the meal, fertilizer, oil, and whalebone obtained was \$241,488.

Of the 305 whales taken last year the largest number, 140, were of the fin-back variety. Eighty-three sperm whales were killed, 47 sulphur, 21 humps, 13 of the sei variety, and one lone bottlenose.

MAKING BREAKFAST BETTER

(By Barbara B. Brooks)

If a questionnaire were to be sent to every family living in a country asking how many really enjoyed breakfast, what proportion of answers would be in the affirmative? In so many households breakfast is a scramble with every one in a hurry and at least one person having got out of the wrong side of bed. The atmosphere of the breakfast table may affect the whole day and it is of real importance to at least give the opportunity of a well served, leisurely breakfast to the members of the family.

The first precaution to take is to get people out of bed in plenty of time—easier said than done! The second is to have breakfast ready when they come to the dining room, and the third is to have food prepared and served in an appealing manner.

A customary breakfast includes fruit, cereal, bread in some form, and a drink. To this may be added eggs or meat, depending upon the need or desire for a substantial meal. In so many households a maid fruit, with the exception of orange juice and bananas, can be prepared the night before. Orange juice must be freshly squeezed to retain its best flavour. Bananas will darken if peeled and exposed to the air. Steamed fruit is even improved by standing in its own juice. Grapefruit is delicious when cut, sections separated, honey poured on it and placed in the refrigerator over night. Berries can be looked over, hulled if necessary and chilled.

Ready to eat cereals are particularly convenient to have on hand. They permit catering to varied preferences and cause no additional work. Corn, rice and wheat cereals are on the market ready for use.

The most popular breakfast drinks for adults are coffee and tea. The children usually have milk. A caffeine free coffee can be bought, if a non-stimulating, hot drink is desired.

The following breakfast menus are well-balanced and suggest a variety of fruits and cereals:

- | | |
|--|---------------|
| Stewed Prunes or Apricots | Milk or Cream |
| Cornflakes | Bacon |
| | Bran Muffins |
| Coffee (or caffeine free coffee) or Milk | |
| Grapefruit Sweetened with Honey | |
| Shredded Whole Wheat Biscuits | Milk or Cream |
| Scrambled Eggs | Toast |
| Coffee (or caffeine free coffee) or Milk | |
| Canned Peaches | Milk or Cream |
| Oatmeal | Broiled Ham |
| | Hot Rolls |
| Coffee (or caffeine free coffee) or Milk | |
| | Oranges |
| Cereal | Milk or Cream |
| Poached Eggs on Toast | |
| Toast | |
| Coffee (or caffeine free coffee) or Milk | |
| Stewed Figs | |
| Cornflakes | Milk or Cream |
| | Boiled Eggs |
| | Graham Toast |
| Coffee (or caffeine free coffee) or Milk | |
| | Berries |
| Wheat Cereal | Milk or Cream |
| (Ready-to-eat) | |
| Cod Fish Cakes | |
| Rolls | |
| Coffee (or caffeine free coffee) or Milk | |
| Oranges and Prunes | |
| Bran Waffles with Bacon | |
| Coffee (or caffeine free coffee) or Milk | |

Advertised Goods ARE LOWER

ADVERTISING turns over stocks rapidly, and therefore multiplies profits. This means that prices in a shop which advertises can be short rather than long.

Of this you may be sure:—Prices in a shop which advertises are not MORE than in a shop which does not advertise. The chances are that they are oftentimes lower.

This, also, is generally true:—You will find better goods, better values and better service in those shops which turn over their stocks rapidly. This means, as a general thing, shops which advertise.

A NOTE TO MERCHANTS

ADVERTISING costs you nothing—it is paid for by the profits on increased sales.

ADVERTISING is easy—it is simply saying in writing what you say to the customers in your shop. Turn over stocks quickly, if you would make more money.

WOMEN ATHLETES TO COMPETE IN ENGLAND

Below, left to right, are Glenna Collett, American golf champion, and Helen Wills, world's tennis queen, who sailed for England recently on the Aquitania to take part in a number of important competitions. Miss Wills incidentally is to be presented to the King and Queen. Above, left to right, Betty Nuthall, the English lass, who is credited with even more speed than Helen; and Joyce Wethered, the English golf champion, who is back in the competitive race.

INSPECTING BRITAIN'S FIRST LINE OF DEFENCE

Rt. Hon. W. C. Bridgeman First Lord of the Admiralty, inspecting the Fleet at Gibraltar. He is shown here (at left) with Admiral Field, on board H.M.S. Elizabeth, where he made his headquarters.

LEADERS OF BYRD EXPEDITION

Left to right are Commander E. Byrd, his business manager, Brophy, and "Cyclone" Heines, aeronautical expert of the expedition. They are now wintering on the Antarctic ice cap awaiting a favourable opportunity to attempt a flight over the South Pole.

A momentous decision, reached after calm deliberation—a decision vitally affecting their living, with months of labour possibly thus lost—was reached at a recent meeting of the Okanagan Growers' Association, when they turned down the offer made by Mr. Hollos, B.C. Manager of the Dominion Canners, of \$17.50 per ton for the contract tomato crop. Faces were grave but chins firm when the meeting unanimously decided to hold out for \$18.50 per ton for Earliana and \$20.50 per ton for smooth varieties, the prices set at the last general meeting of the B.C. Tomato Growers' Association, held at Kelowna.

IMPROVEMENT IN MUSICAL SKILL EVIDENT AT OKANAGAN FESTIVAL

(Continued from page 1)

"The uplifting influence of music," said the Minister, "extends far beyond the moment to a lifetime, and the music that was broadcast this afternoon will go in memory to the remote parts of the world. Every person is a human receiving machine, far more wonderful than any mechanical receiver, and the harmony of musical instruments occurs over and over again in memory." He recalled hearing in France melodies that conveyed him spiritually to the place where first they had been transcribed to memory, and they had revived associations long forgotten.

The effect of musical festivals, declared the speaker, promoted a great and enduring good, and inspiration and courage came as the result of the competitions. He hoped for the continued prosperity of the Okanagan Festival, and concluded his address with the wish that, with the passing of each year, it might grow better and better.

Selections by the Vernon Juvenile Orchestra, which, that afternoon, had won the Penticon Herald Cup, were heard to advantage, and prolonged applause followed the rendition of each number. Dr. Rogers next led the massed day school choirs in chorus, and this was heartily received. A pianoforte solo was rendered in a pleasing manner by Miss Marjorie Barnes, of Armstrong, who interpreted Chopin's "Nocturne in B flat minor."

The Vernon Ladies' Trio, composed of Mrs. H. J. Phillips, Mrs. J. H. Reade and Miss Olive Ripley, followed with a delightful vocal number entitled "Though Philomela lost her love" (Morley), which was accorded well merited applause, and piano selections, "A boat that sailed" and "Puss in the corner," played by little Ruth Elliott, of Kelowna, were no less entertaining.

Miss Mary Flinders, Kelowna, who won distinction in the girls' elocution class, 17 years and under, gave a convincing demonstration of her ability in "Hill Top Song" (Roberts), and "Merchant of Venice" from Act 4, Scene 1 (Shakespeare). Her diction was excellent.

Youthful Frank Gallacher, of Oyanama, whose clear soprano voice won for him the Bradley Cup in the boys' solo competition, sang "Trust in the Springtime" (Schubert, arr. Bairstow). This was followed by a pianoforte number by Miss Chrissie Burt, which was well received.

The Boys' Choir, under the leadership of the Rev. C. E. Davis, next gave two renditions, "Come, let us all sing" (Bach), and "Viking Song" (Coleridge-Taylor), in their usual superb manner, which served to strengthen the opinion expressed by Dr. Rogers that they should be again successful in competition at the B.C. Musical Festival.

A violin solo was next heard when Miss Helen Ferguson, of Vernon, winner of the Maddin Challenge Cup, gave

a praiseworthy interpretation of "Spring Serenade" (Drdla). Little Janet Craig, winner in the girls' elocution class, 10 years and under, delighted her hearers with two numbers, "Bunches of grapes" (de la Mare), and "The child next door" (Fylenman).

Mr. W. T. Mann, of Vernon, winner in the Pianoforte, open class, brought out the dulcet tones of the Mason & Risch piano in "Adagio Cantabile, Pathetique" (Beethoven), and a vocal duet by Misses Aslin and Pellett, of Armstrong, was also enjoyed. The latter soprano and contralto, chose for their selection "What the birds think" (Schubert). Mr. Fergus Mutrie, of Vernon, sang in powerful bass voice "Droop not, young lover."

A cornet solo was next played by Mr. Gordon Ferguson, of Vernon, and was enjoyed by the audience. This was followed by a special request number, Mr. A. J. Hobson, of Lumby, reciting "The house by the side of the road" and a selection from Shakespeare.

The Gold Medalists Championship Competition, the feature of the evening's performance, next took place, when four vocalists, all gold medalists, competed for first honours in this class. The competitors were Miss Marjorie King, of West Summerland, Miss Hilda Cryderman, of Vernon, Mr. Stephen Adams, of Pentiction, and Mr. W. J. Cook, of Kelowna, all of whom gave an excellent account of themselves.

Dr. Rogers, in announcing the marks awarded, said that it was a difficult matter to decide as all were gold medalists and the various selections by each had been well done. The marks were as follows: Miss King, 86; Miss Cryderman, 85; Mr. Cook, 84; and Mr. Adams, 80. Miss King winning the Spencer Championship Cup, donated by David Spencer Ltd., Vancouver, and a miniature cup presented by the Festival Committee.

For gaining the high mark of 88, the highest ever attained in the senior vocal and instrumental classes, she also won the Pitman Business College (Vancouver) Scholarship, value \$180.00, and the Sons of England Challenge Cup. Tremendous applause followed the adjudicator's announcement, and it was evident that the decision was a popular one.

The Kelowna Ladies' Choir, which, under the leadership of Mrs. G. D. Cameron, won the Kelowna Board of Trade Challenge Cup with 175 marks, sang two selections, "From the Green Heart of the Waters" (Coleridge-Taylor), and "You stole my love" (Bach), to conclude the musical entertainment.

Chairman Campbell
Prior to the presentation of the challenge trophies and special prizes (the medals were awarded following the announcements of the adjudicators each day), Mr. C. E. Campbell, chairman of the Festival Committee, gave a brief address in which he lauded the improvement in the quality of the entertainment which has been evident from year to year. He referred to the Provincial Government grant which they had endeavoured to secure in order to get a provincial organization started—an organization which, aided

by government assistance, would facilitate transportation for those who found it difficult to come to Kelowna to compete at the Festival. The Festival Committee were fortunate, however, in that they had always been left with a small balance in the bank at the end of each event. He added that the Festival created in competitors the sporting spirit, and he was glad to announce that, although the Vernon Ladies' Choir had been unsuccessful this year, they would return again to compete at the 1930 Festival.

Mrs. J. W. Jones Presents Prizes
The chairman then called upon Mrs. J. W. Jones to present the special prizes, which, he explained, were given as an expression of appreciation of the winners' efforts.

Mrs. Jones ascended the platform and as the prizes were given to each individual the presentations were accompanied by thunderous applause.

Bouquet For Mrs. Arbuckle
This part of the programme concluded, the chairman next referred to the invaluable work accomplished by Mrs. Arbuckle, and it was his pleasure to present to the General Secretary a token of appreciation.

In accepting a bouquet of beautiful flowers, Mrs. Arbuckle hoped that all had enjoyed the Festival as much as she had enjoyed it, and she referred to the floral presentations were also made to Mrs. Jones and Mrs. Ferguson.

Farwell Words From The Adjudicators

The farwell addresses of the adjudicators brought to a fitting close the fourth annual Okanagan Valley Musical Festival.

Dr. Landsbury, the first speaker, said that there was sadness in his heart on his departure from Kelowna, as he had met here many delightful people and he had enjoyed his visit tremendously. In a jovial mood, he referred to the "excellent dust" of the past few days, which evoked considerable laughter.

He reminded his hearers that the task of adjudicating was no small problem, but as his paramount interest lay in the cultivation of the amateur musician, not the professional side, he had been glad to serve. The young people whom he had met had held particular interest, and he felt that his association with them had been instrumental in stimulating to a great extent his interest in music in the Okanagan Valley.

In some cases, said Dr. Landsbury, the selections had been too difficult for the competitors. In adjudicating standards varied, and the grounds on which one would judge might differ from those of another. "However," he said, "if I have left with the young people of the valley a desire to accomplish more, my mission has been fulfilled."

Dr. Rogers, following his colleague, then complimented the committee upon their excellent arrangements as compared with the B.C. Festival. He eulogized the work of Mrs. Arbuckle and referred to another great worker, "the very modest Mr. Arbuckle."

"The effect of music," declared Dr. Rogers, "is indeed marvellous. To the Canadian in Africa, the strains of 'Home, Sweet Home' bring to mind tender memories, and the stirring music of a band transforms weary soldiers into a tremendous fighting force."

Having served as an adjudicator last year, Dr. Rogers remarked that he was in a unique position in that he could check up on the advances made over the previous year. In this connection, he would congratulate all on the progress as evidenced in the competitions, which was such as to enable all to look forward to musical accomplishment in the Okanagan Valley with the greatest optimism.

"The committee need never fear for the success of a Valley Festival," concluded the speaker, "if they will encourage school choirs to carry on. School choirs are the backbone of all Festivals, one hundred and ten having competed at the last Winnipeg musical event. In them we have indeed a great musical organization."

PRIZE LIST

The events are taken in the order of the programme, followed in some cases by the adjudicators' comments on the performances of the winners.

Pianoforte, 16 years and under. Three entries. "Arabesque in C" (Debussy). Silver medal, 1st, Beatrice Eutin Ratland, 80; 2nd, Rhona Herrod, Oliver, 70; Mary Flinders, Kelowna, 67. Tempo fairly good.

Duet, soprano and contralto. One entry. "What the birds think" (Schubert, arr. Bairstow). Silver medals to Misses Enid Pellett and Freda E. Aslin, Armstrong, 75 marks. Selection not adapted to soprano and contralto.

Pianoforte, 19 years and under. Two entries. "Prelude in B flat" (Bach), and "Nocturne in B flat minor" (Chopin). Silver medals, 1st, Marjorie Barnes, Armstrong, 153; 2nd, Enid Pellett, Armstrong, 144. Composition extremely difficult.

Duet, tenor and soprano. One entry. "As the heart panteth after the water brooks" (Mozart). Silver medals to Miss Hilda Stubbs and Mr. F. A. Martin, Kelowna, 80 marks. Nicely handled, good blend and diction.

Vocal solo, mezzo soprano. Two entries. "Crabbed age and youth" (Parry). Gold medal, 1st, Freda E. Aslin, Armstrong, 81; 2nd, Jean C. Johnson, Vernon, 79. Winner has a nice voice, good tone, and gave a fine example of the correct position of the mouth.

Violin solo, junior boys. Three entries. "Virelai" (Elgar). Silver medal, 1st, Don Martin, Kelowna, 78; 2nd, H. Aitken, Kelowna, 76; 3rd, L. E. Iverson, Oliver, 75. Ear good, bowing good.

Quartette, soprano, contralto, tenor and bass. Two entries. "God is a spirit" (Bennett), and "Dreaming" (Schuman). Silver medals, 1st, St. Michael & All Angels' Mixed Quartette, 160; 2nd, St. Michael & All Angels' Male Quartette, with boy soprano and contralto, 156.

Vocal solo, soprano, open. Three entries. "Sea Wrack" (Stanford). Gold medal, 1st, Miss Marjorie King, West Summerland, 88; 2nd, Mrs. T. Daly, Pentiction, 79; Mrs. D. Lyons, Pentiction, 75. Nice voice and tone and diction excellent.

LETTERS TO THE EDITOR

BEER PARLOUR LICENCE FOR OKANAGAN MISSION

Okanagan Mission, B.C.
April 29th, 1929.

Editor,
Kelowna Courier.

Allow me through the medium of your paper to voice my objection to the petition now in circulation through the Okanagan Mission, praying for the granting of a licence for a beer parlour.

The vote taken for the constituency of the South Okanagan was against the principle of granting licences. And we, the people of this locality, should and must bow to majority rule. That is the law at present. I believe our late Premier, John Oliver, was in favour of granting a licence to a portion of a constituency that voted "Yes," as did the Okanagan Mission, but I think I am right when I say that the Act does not deal with portions, but only as a whole.

This is the strong point of my objection: if beer is good for this small locality, then it is good for May I say, Kelowna. I have nothing personal against the "gentlemen" going the rounds either on their own account or in the interest of others. If this particular party wants beer served in a public place, or private place, let him or her present his petition personally. We, the people of the Mission, would at least know with whom we were dealing.

Sincerely yours,
JOSEPH IVENS.

OKANAGAN MISSION

Congratulations to Dick Ford and Archie Stubbs on having gained honourable mention for their essays on Clean-Up Week! They won third place in Grades IX and X respectively.

There will be Sunday School next Sunday, at 10 a.m. Attendance last time was not so good as usual, owing, no doubt, to the unavoidable interruptions there have been lately on account of the Easter services, etc. The Superintendent hopes all the scholars will be present next Sunday.

At the meeting of the Farmers and Taxpayers Association last week, it is satisfactory to report that owing to the efforts of the committee some satisfaction was received from the West Kootenay Power and Light Co., with regard to the charges complained of at the former meeting. With regard to the bridge over the creek near Luckett's the matter is now in the hands of Mr. Norrington and we hope to have some definite news before long.

Mr. Renfrew has returned to the Mission after his trip to the Old Count-

ry. The rest of the family are to follow later.

At the baseball matches between Rutland and the K.L.O. and our School the boys put up a good fight against the first, while the girls were not so successful, whereas in the case of the K.L.O. the tables were turned and the girls won their match while the boys were the losers. Our school was at a great disadvantage owing to the short notice they received about the matches.

Mr. David Murdoch returned on Monday from Vancouver for his summer vacation.

On Thursday the Eldorado Arms gave the first of its summer series of "thes dansants". There were a large number of visitors at the Hotel on Sunday afternoon, and on Sunday evening Messrs. F. Treadgold and Kirke were responsible for the music at the special Sunday night dinner. Mrs. W. D. Walker is again taking in hand the arrangement of the flower garden, which has proved such an attractive feature in the past.

British Columbia's total lumber production for 1927 was \$83,087,000. The pulp and paper division of the lumber industry had a total production of \$18,505,000 in 1927.

"My dear, where did you get the sporty little car?"
"Same old bus dressed up in a new coat of Permalak."

It's very easy to make a car look new again. Permalak it. A few hours work and it's ready for the road.

There are twelve popular colors in Permalak for motor cars. Ask your dealer for the special auto color card.

This new folder on color illustrates the possibilities of Permalak in the home. Free from your dealer or write direct to the company at Montreal.

IMPROVEMENT IN MUSICAL SKILL EVIDENT AT OKANAGAN FESTIVAL

Continued from page 8

Pianoforte, open. Three entries. "Ad-
agio Cantabile" (Beethoven), and
"Waldesruehen" (Liszt). Gold medal,
1st, Mr. W. T. Mann, Vernon, 157;
2nd, Miss Baye Birtch, Kelowna, 152;
3rd, Miss Catherine Bigland, Vernon,
137. Difficult for all.

Ladies' choir, open. Two entries.
"From the green heart of the waters"
(Coleridge-Taylor), and "You stole my
love" (Bach). Macdonald Cup, 1st, Ke-
lowna Ladies' Choir, 175; 2nd, Lyric
Choir, Vernon, 164. Good choral sing-
ing; excellent balance, phrasing and
diction.

Mixed choir, open. One entry. "As
torrents in summer" (Elgar), and "The
Chase" (German). Summerland Shield,
retained by St. Michael & All Angels'
Choir. Good singing, beautiful tone.

Ladies' trio, two entries. "Though
Philomela lost her love" (Morley). Sil-
ver medals, 1st, Mrs. H. J. Phillip, Mrs.
J. H. Reade and Miss Olive Ripley,
Vernon, 79; 2nd, a Vernon trio, 77.

Vocal solo, baritone, open. Two en-
tries. "Sleep" (Gurney). Gold medal,
1st, Mr. Harold Howard, Pentiction, 80;
2nd, Mr. R. Stockton, Vernon, 78. Tem-
po hurried.

Young vocalist, low voice. One en-
try. "Britanny" (Bullock). Silver med-
al to Marcella Moodie, East Kelowna,
75 marks.

Violin, 12 years and under. Four en-
tries. "Melody in G" (Barse). Silver
medal, 1st, Edgar Dewdney, Pentiction,
80; 2nd, Bruce McDowell, Pentiction,
79; 3rd, Gladys Swanson, Kelowna, 77.

Pianoforte duet, 12 years and under.
Six entries. "Immortelle" (Spindler),
and "Dowdrops" (Zeigler). Silver med-
als, 1st, Glorin and Kermit Eutit,
Rutland, 161; 2nd, a Kelowna duet, 160;
3rd, Vernon and Okanagan Mission
duets, 156.

Pianoforte duet, 16 years and under.
Seven entries. "Selenger's Round"
(Rowland), and "Pavanne" (Rowland).
Silver medals, 1st, Margaret Aitken and
Barbara Adams, Kelowna, 160; 2nd,
an Armstrong duet, 158; 3rd, a Kelowna
duet, 156. Less individual tone need-
ed.

Pianoforte, 10 years and under. Twenty
entries. "A boat that sailed" (Hol-
land), and "Puss in the corner" (Rog-
ers). Silver medal, 1st, Ruth Elliott,
Kelowna, 384; 2nd, Muriel Roe, Oliver,
373; 3rd, Barbara Tutt, Kelowna, 372.
Good rhythm; this player will do splen-
did things.

Young vocalist, high voice. Three en-
tries. "Where the bee sucks" (Arne).
Silver medal, 1st, Miss Hilda Stubbs,
Kelowna, 80; Miss Willa Elliott, Pen-
tiction, 78; Miss Joan Wiseman, Ver-
non, 75. A pretty voice, and the spirit
of the song well interpreted.

Pianoforte, 12 years and under. Eight-
teen entries. "Courante" (Handel).
"The Doll's Minuet" (Stanford). Sil-
ver medal, 1st, Chrissie Bart, Kelowna,
268; 2nd, Vera Cushing, Kelowna, 260.
A difficult number to judge, but the
winner outstanding.

Ladies' elocution, open. One entry
(two defaulted). No award. "Garden
by Moonlight" (Lowell). Mrs. Char-
lotte Jones, Enderby, 74 marks. (75
marks must be attained in order to
qualify for awards in any class.)

Men's elocution, open. One entry
(one defaulted). "House by the side of
the road" and a selection from Shakes-
peare. Gold medal to Mr. A. J. Hob-
son, Lumby, 86 marks. A voice of great
beauty, interpretation good, but ges-
tures lacking.

Vocal solo, contralto. Two entries.
"Into Thy Hands" (Bach). Silver med-
al, 1st, Mrs. A. J. Duncan, Armstrong,
80; 2nd, Miss Olive Ripley, Vernon, 78.
Well done. Nice quality of tone.

Pianoforte, eight-playing, juvenile.
Four entries. Silver medal, Peggy Price,
Kelowna, winner. No marks given.

Pianoforte eight-playing, open. One
entry. Test pieces chosen by the adju-
dicator. Gold medal. Won by Miss Cath-

erine Bigland, Vernon. Miss Bigland is
to be congratulated on her knowledge
of Bach and the manner in which she
played several selections unknown to
her.

Orchestra, open. One entry. "Rosa-
munde" (Schubert). Bracewell Shield,
retained by the Pentiction Orchestra
Society. 82 marks. This orchestra has
improved marvellously in the last year.
Dynamics excellently done.

Quartette, men's voices, open. Two
entries. "Drink to me only" (Bantock).
Silver medals, 1st, Pentiction Quartette,
80; 2nd, St. Michael & All Angels'
Quartette, 77. Very good blend of
voices. Keep together.

Pianoforte, 14 years and under. Four-
teen entries. "Toccata in A" (Pavane),
and "I know a little maiden" (Grieg).
Silver medal, 1st, Evelyn Vaudour, Ke-
lowna, 327; 2nd, John Claridge, Kelowna,
316; 3rd, Margaret Aitken, Kelowna,
314. An interesting performance.

Vocal duet, contralto and baritone,
open. One entry. "Be sure that the
Lord Be God" (Handel). Silver med-
als to Miss Hilda Cryderman and Mr.
Fergus Mutrie, Vernon 80 marks. Nicely
done; diction excellent and blend
good.

Boys' choir, open. One entry. "Come
let us all this day" (Bach), and "Vik-
ing song" (Coleridge-Taylor). Parent-
Teacher Shield, retained by St. Michael
& All Angels' Boys' Choir. Kelowna
should be proud of this choir. It has a
beautiful tone of cathedral type unique
in this section of the country.

Violin, 18 years and under. Three en-
tries. "Spring serenade" (Drdla), and
"Bagatelle" (Ireland). Silver medal,
1st, Miss Helen Ferguson, Vernon, 180;
2nd, Miss Joyce Chapman, Kelowna,
and Miss Cathie Aikman, Glenmore,
156 marks each. Very well played;
rhythm splendid.

Vocal solo, tenor, open. Three en-
tries. "Eleanor" (Coleridge-Taylor).
Gold medal, 1st, Mr. E. S. Suddes, Pen-
tiction, 80; 2nd, Mr. F. A. Martin, Ke-
lowna, 78; 3rd, Mr. P. T. Dunn, Ke-
lowna, 76. Very good voice.

Vocal duet, tenor and baritone. Two
entries. "The moon has raised her lamp
above" (Benedict). Silver medals, 1st,
Messrs. Martin and R. Stone, Kelowna,
80; 2nd, Messrs. Dunn and W. J.
Cook, Kelowna, 79. Good blend of
voices.

Vocal solo, bass, open. Four entries.
"Droop not, you fear the wind" (Handel).
Gold medal, 1st, Mr. Fergus Mutrie,
Vernon, 81; 2nd, Mr. A. J. Hobson,
Lumby, 80; 3rd, Mr. R. Stone, Kelowna,
79. Quite good.

Elocution, girls 13 years and under.
Four entries. "The spirit of the birch"
(Ketcham), and "After all and after
all" (Davis). Silver medal, 1st, Becky
Gore, Kelowna, 82; 2nd, Margaret Ste-
vens, West Summerland, 80.

Elocution, boys 10 years and under.
No contest.

Elocution, girls 17 years and under.
Four entries. "Hill top song" (Rob-
erts), and "Merchant of Venice," from
Act 4, Scene 1 (Shakespeare). Silver
medal, 1st, Miss Mary Flinders, Kelowna,
82; 2nd, Miss Pearl Mills, Arms-
strong, 80. Exceptionally good.

Elocution, boys 13 years and under.
One entry. "Do you fear the wind?"
(Garland) and "The Blacksmiths" (an-
onymous). Silver medal to Clifford Ev-
ans, Vernon, 79 marks.

Vocal duet, girls. Three entries.
"Spring's return" (Schubert). Silver
medals, 1st, Misses Ivy Weaver and
Frances James, Summerland, 79; 2nd,
a Summerland duet, 78.

Clarinet Solo. One entry. "Spring
Song" (Mendelssohn, arr. Clappe). Sil-
ver medal to Mr. Arthur Simpson,
West Summerland, 75 marks.

Junior choirs. Two entries. "When
the moon is up" (Rowley), and "Who
is Sylvia" (Schubert). North Okanagan
Women's Institute Shield, 1st, Rutland
Junior Choir, 164; 2nd, Wood's Lake
Choir, 160.

Cornet solo. One entry. "Adelaide"
(Beethoven). Silver medal to Mr. Gor-
don Ferguson, Vernon, 85 marks.

Wind instrument, open. One entry.
Gold medal to Mr. George Mossop,
Summerland, 78 marks.

Violin ensemble class. Two entries.
"Reverie" (Tollhurst). Bronze medals,
1st, Mrs. Flinders, Kelowna Class, 80;
2nd, Vernon class, 78. On the whole,
good.

School Choirs, Grades 3 to 4. One
entry. "The Squirrel" (McLeod), and
"The Fairy Queen of the May" (Wood).
Pettigrew Shield. Won by the
Kelowna Public School Choir. Miss
Payne conducting, 161 marks. Very
nice indeed.

Vocal duet, boys. Five entries. "Bells
at Eve" (Abt). Silver medals, 1st,
Lance Weeden and Frank Ballock, Ke-
lowna, 163; 2nd, John Bennett and
Lionel Ballock, Kelowna, 159.

Elocution, girls 10 years and under.
Nine entries. "Branches of grapes" (de
la Marche), and "The child next door"
(Fyelman). Silver medal, 1st, Janet
Craig, Kelowna, 166; 2nd, Eileen Cur-
rell, Kelowna, 163; 3rd, Sarah McKay,
Peachland, 154.

Rural School Choirs. Three entries.
"Fairly Diddle" (Olds), and "Marching
Song" (Middleton). DeBeck Cup, 1st,
Coldstream School Choir, 161; 2nd,
Peachland Public School Choir, 158;
3rd, Mission Creek School Choir, 155.
Diction good and performance credi-
table.

Girl's solo. Five entries. "O rest
thee, babe" (Whitaker). Silver medal,
1st, Miss Ivy Weaver, Summerland,
164; 2nd, Miss Mary Jansen, Kelowna,
162; 3rd, Miss Glorin Eutit, Rutland,
160.

Girls' choir, open. One entry. "The
Cloud" (McLeod), and "Haste Thee
Haste Thee" (Watts). Kelly Cup won
by the Summerland High School Choir.
165 marks. Fine choir; mood nicely
realized.

Boy's solo. Eight entries. "Trust in
the springtime" (Schubert, arr. Bair-
stow). Silver medal, 1st, Frank Gall-
acher, Oyama, 170; 2nd, Lance Weed-
en, Kelowna, 169; 3rd, Guy Fisher, Ke-
lowna, 158. An exceptionally good
voice.

Day School Choir, Grades 5 to 8.
Two entries. "What way does the wind
come?" (Trinian), and "Aubade" (Fre-
land). Hayes Cup, 1st, Summerland
Public School Choir, 172; 2nd, Ke-
lowna Public School Choir, 171. Mood,
diction, snap, rhythm and direction
good. Choirs evenly matched.

Elocution, boys 17 years and under.

TAX BY-LAW IMPOSES 45 MILL LEVY

(Continued from Page 2)

have been necessary to have a 30-mill
rate to meet the fixed charges and
school expenditure. During the past
ten years the general levy had been re-
duced from \$12 per head to \$5 per
head. With the great increase in popu-
lation during that period and the num-
ber of calls made upon the City for
various requirements, it was really mar-
vellous that the Council had been able
to effect such a reduction, not only in
the per capita rate but in the total ac-
count expended. In tones of mock re-
proach, His Worship blamed Ald.
Meikle for being so stingy on public
works last year. Much was not done
that should have been done, and with
all due respect to ex-Ald. Shepherd,
who did wonderful work in the Health
Department, work also was not carried
out in that branch which should have
been done, and he was glad that there
was prospect of some of it being ac-
complished this year. He did not know
of any other town in the province that
had brought its general levy as low as
\$5 per head. In 1927, Vernon and Ke-
lowna had the same mill rate of 40,
but while the Kelowna levy produced
\$101,000, that of Vernon yielded 43 per
cent more, or \$143,000, showing a high-
er assessment.

With a town growing at the rate of
Kelowna, continued the Mayor, ex-
penditure was bound to increase. Last
year the School Board estimates had
been too high, owing to the fact that they
made provision for renting public
temporaries.

Violin, 18 years and under. Three en-
tries. "Spring serenade" (Drdla), and
"Bagatelle" (Ireland). Silver medal,
1st, Miss Helen Ferguson, Vernon, 180;
2nd, Miss Joyce Chapman, Kelowna,
and Miss Cathie Aikman, Glenmore,
156 marks each. Very well played;
rhythm splendid.

Vocal solo, tenor, open. Three en-
tries. "Eleanor" (Coleridge-Taylor).
Gold medal, 1st, Mr. E. S. Suddes, Pen-
tiction, 80; 2nd, Mr. F. A. Martin, Ke-
lowna, 78; 3rd, Mr. P. T. Dunn, Ke-
lowna, 76. Very good voice.

Vocal duet, tenor and baritone. Two
entries. "The moon has raised her lamp
above" (Benedict). Silver medals, 1st,
Messrs. Martin and R. Stone, Kelowna,
80; 2nd, Messrs. Dunn and W. J.
Cook, Kelowna, 79. Good blend of
voices.

Vocal solo, bass, open. Four entries.
"Droop not, you fear the wind" (Handel).
Gold medal, 1st, Mr. Fergus Mutrie,
Vernon, 81; 2nd, Mr. A. J. Hobson,
Lumby, 80; 3rd, Mr. R. Stone, Kelowna,
79. Quite good.

Elocution, girls 13 years and under.
Four entries. "The spirit of the birch"
(Ketcham), and "After all and after
all" (Davis). Silver medal, 1st, Becky
Gore, Kelowna, 82; 2nd, Margaret Ste-
vens, West Summerland, 80.

Elocution, boys 10 years and under.
No contest.

Elocution, girls 17 years and under.
Four entries. "Hill top song" (Rob-
erts), and "Merchant of Venice," from
Act 4, Scene 1 (Shakespeare). Silver
medal, 1st, Miss Mary Flinders, Kelowna,
82; 2nd, Miss Pearl Mills, Arms-
strong, 80. Exceptionally good.

Elocution, boys 13 years and under.
One entry. "Do you fear the wind?"
(Garland) and "The Blacksmiths" (an-
onymous). Silver medal to Clifford Ev-
ans, Vernon, 79 marks.

Vocal duet, girls. Three entries.
"Spring's return" (Schubert). Silver
medals, 1st, Misses Ivy Weaver and
Frances James, Summerland, 79; 2nd,
a Summerland duet, 78.

Clarinet Solo. One entry. "Spring
Song" (Mendelssohn, arr. Clappe). Sil-
ver medal to Mr. Arthur Simpson,
West Summerland, 75 marks.

Junior choirs. Two entries. "When
the moon is up" (Rowley), and "Who
is Sylvia" (Schubert). North Okanagan
Women's Institute Shield, 1st, Rutland
Junior Choir, 164; 2nd, Wood's Lake
Choir, 160.

Cornet solo. One entry. "Adelaide"
(Beethoven). Silver medal to Mr. Gor-
don Ferguson, Vernon, 85 marks.

Wind instrument, open. One entry.
Gold medal to Mr. George Mossop,
Summerland, 78 marks.

Violin ensemble class. Two entries.
"Reverie" (Tollhurst). Bronze medals,
1st, Mrs. Flinders, Kelowna Class, 80;
2nd, Vernon class, 78. On the whole,
good.

School Choirs, Grades 3 to 4. One
entry. "The Squirrel" (McLeod), and
"The Fairy Queen of the May" (Wood).
Pettigrew Shield. Won by the
Kelowna Public School Choir. Miss
Payne conducting, 161 marks. Very
nice indeed.

Vocal duet, boys. Five entries. "Bells
at Eve" (Abt). Silver medals, 1st,
Lance Weeden and Frank Ballock, Ke-
lowna, 163; 2nd, John Bennett and
Lionel Ballock, Kelowna, 159.

Elocution, girls 10 years and under.
Nine entries. "Branches of grapes" (de
la Marche), and "The child next door"
(Fyelman). Silver medal, 1st, Janet
Craig, Kelowna, 166; 2nd, Eileen Cur-
rell, Kelowna, 163; 3rd, Sarah McKay,
Peachland, 154.

Rural School Choirs. Three entries.
"Fairly Diddle" (Olds), and "Marching
Song" (Middleton). DeBeck Cup, 1st,
Coldstream School Choir, 161; 2nd,
Peachland Public School Choir, 158;
3rd, Mission Creek School Choir, 155.
Diction good and performance credi-
table.

Girl's solo. Five entries. "O rest
thee, babe" (Whitaker). Silver medal,
1st, Miss Ivy Weaver, Summerland,
164; 2nd, Miss Mary Jansen, Kelowna,
162; 3rd, Miss Glorin Eutit, Rutland,
160.

Girls' choir, open. One entry. "The
Cloud" (McLeod), and "Haste Thee
Haste Thee" (Watts). Kelly Cup won
by the Summerland High School Choir.
165 marks. Fine choir; mood nicely
realized.

Boy's solo. Eight entries. "Trust in
the springtime" (Schubert, arr. Bair-
stow). Silver medal, 1st, Frank Gall-
acher, Oyama, 170; 2nd, Lance Weed-
en, Kelowna, 169; 3rd, Guy Fisher, Ke-
lowna, 158. An exceptionally good
voice.

Day School Choir, Grades 5 to 8.
Two entries. "What way does the wind
come?" (Trinian), and "Aubade" (Fre-
land). Hayes Cup, 1st, Summerland
Public School Choir, 172; 2nd, Ke-
lowna Public School Choir, 171. Mood,
diction, snap, rhythm and direction
good. Choirs evenly matched.

Elocution, boys 17 years and under.

but regretted that he could not contri-
bute any cut in his department to re-
duction of the estimates, as the contin-
gency of frequent bursts in old pipes,
which could not be foreseen and kept
provided for. Owing to paring down,
his department had to go short in pre-
vious years and the estimates had been
figured so closely that he knew it
would be scant again this year.

By-Law No. 503, to strike the rate
of taxation for the year, was then in-
troduced and was read by the City
Clerk. It provides for a total levy of
45 mills, divided into 17.95 mills for
school purposes, including service of
the school share of the civic debt,
which would raise \$43,648.40 upon prop-
erty within the city limits and \$2,408-
29 on property outside the city limits,
but within the Kelowna School District.
16.72 mills for debenture interest and
sinking fund, which would provide
\$40,657.45, and 10.33 for general levy
for all other civic purposes, which is es-
timated to bring in \$25,119.10, a grand
total of \$111,833.24.

Upon a resolution being submitted
giving the By-Law three readings be-
fore reference to committee, that rare
happening in the Council took place—
passage of the resolution by a majority
on a division.

Ald. McDonald expressed absolute
opposition to any increase of the mill
rate over that of 44, imposed in 1928,
and suggested that it was not too late
for each department to make a supreme
effort to cut down its estimates on a
percentage basis that would enable the
levy to be made on the same rate as
last year.

Ald. Jones said he was in full accord
with Ald. McDonald, and would even
go further, considering that the rate
should not be placed higher than 43,
but he realized that was impossible
under existing conditions. He believed
reduction in the estimates might be
effected by each alderman submitting
his estimates in detail to stand the criti-
cism of his colleagues. He regretted
the possibility of the police enquiry run-
ning up heavy costs, and thought some
steps should be taken to curtail the
length of the proceedings, if at all
possible.

The resolution being submitted to
vote, Aldermen McDonald and Jones
recorded their votes in opposition to it,
as a protest against the 45 mill rate,
while Aldermen Gordon, Meikle, Mor-
rison and Rattenbury voted in favour
of it, while reserving the right to make
further efforts at reduction in commit-
tee.

Success Of Clean-Up Week
Ald. Gordon, for the Health Com-
mittee, reported that Clean-Up Week
had proved a 100 per cent success. The
City truck had hauled away no fewer
than 131 loads of garbage, and there
was evident a general improvement in
the neatness and appearance of pre-

Five entries. "On the grasshopper and
the cricket" (Keats), and "Passing of
Arthur" (Tennyson). Silver medal, 1st,
William Bowser, Kelowna, 168; 2nd,
Ralph Buckley, Kelowna, 163. Good
work.

Juvenile orchestra. One entry. "Min-
net" (Bach), and "March" (Bach).
Pentiction Herald Cup. Won by the
Vernon Junior Orchestra, 161 marks.
A delightful orchestra.

SPECIAL PRIZES
The following special prizes and tro-
phies were awarded at the Festival.
The Kelowna Gryo Club Challenge
Shield for the highest marks in the
Juvenile choir classes was awarded to
the Summerland Public School, 172
marks.

The Kelowna Board of Trade Chal-
lenge Cup for the highest marks in
choir classes was won by the Kelowna
Ladies' Choir, 175 marks.

The Sons of England Challenge Cup
for highest marks in the adult vocal
classes was awarded to Miss Marjorie
King, of West Summerland, 88 marks,
who also captured the Spencer Chal-
lenge Cup, donated by David Spencer,
Ltd., Vancouver, to the winner of the
Vocal Gold Medalist Competition, and
a scholarship (full business course) do-
nated by the Pitman Business College,
Vancouver, for highest marks in solo-
ist classes and elocution made by a
contestant between the ages of 18 and
23 years, inclusive. Miss King was a-
warded a miniature cup, as well, by the
Festival Committee.

Challenge Cup, presented by Mr. B.
Bradley, Vernon, for highest marks in
juvenile solo classes, was won by Frank
Gallacher, Oyama, 85 marks.

Challenge Cup, presented by Mr. G.
Weaver, Pentiction, for the highest
marks in juvenile pianoforte classes,
was awarded to Ruth Elliott, Kelowna,
97 marks, the highest scored at the Festi-
val.

CRICKET

Schedule For District League
Wooddale, the new entry into the Kelowna District Cricket League, will open the season by opposing City on May 5, according to the schedule drawn up by the District Association executive last week, with Comandari Legion and Occidentals present champions, providing competition the following week. The team known as Wooddale, and composed of Okanagan Centre and Oyanma players, will play all their matches on the local pitch at the Agricultural Grounds, where all matches in the District League will also be staged. The District League schedule, as drawn up by the executive, is as follows:

May 5.—Wooddale at City.
May 12.—Legion at Occidentals.
May 19.—Occidentals at Wooddale.
May 26.—City at Occidentals.
June 2.—Wooddale at Legion.
June 16.—City at Legion.
June 23.—Legion at Wooddale.
June 30.—Occidentals at City.
July 14.—Occidentals at Legion.
July 21.—City at Wooddale.
July 28.—Wooddale at Occidentals.
August 4.—Legion at City.

Members of the various clubs are requested to clip and retain this schedule in order to be familiar with dates on which their teams are playing.

Spencer Cup Fixtures

The executive also set tentative dates for Spencer Cup fixtures in the Okanagan championship series, as far as Kelowna was concerned, the matches between Vernon and Lavington, Salmon Arm and Lavington, and Salmon Arm and Vernon being left to the clubs concerned to arrange between themselves.

Dates set were as follows:
Vernon vs. Kelowna, May 24 and June 3, the venue of grounds to be decided between the clubs, so that Kelowna will be at home to the present holders of the trophy either on May 24 or June 3, with the return match at Vernon on the other holiday date.
June 9 Salmon Arm at Kelowna.
July 7 Kelowna at Lavington.
August 11 Kelowna at Salmon Arm, and August 25, Lavington at Kelowna, being the remaining dates fixed.

It is expected that Brentwood College and a Vancouver eleven will appear during the season in Okanagan tours, and, with clubs operating in Revelstoke and Kamloops this year, it is expected that friendly matches will be arranged with both of these points.

The pitch at the Agricultural Grounds is being placed in shape for matches, and should be in better condition this year by the opening of the league season on May 5.

City Team For Opening Match

For the opening match of the season against Wooddale on May 5, the City have chosen the following players: E. Matthews, Blakeborough, A. Crichton, Fleck, Hayman, Keevil, Norman, W. Grant, Dalton, Hughes-Games and Bredin.

The match is scheduled to commence at 2 p.m. on the Agricultural Grounds, where all league matches will be played this season.

BASEBALL

Suitable Playing Field Is Secured

Due to the kind consideration given by Dr. B. F. Boyce, the owner of the only suitable plot of ground available for a baseball field, to the request by Gordon McKay, President of the Kelowna Baseball Club, the property adjoining the Rose field on Harvey Avenue, used last year, will be placed in shape for District League and Okanagan Valley contests.

Two conditions have been imposed upon the baseballers, and the executive of the local club wish to emphasize the necessity of carrying out the wishes of the owner, whose kindly action has made it possible to retain baseball among the many other sports which are available in the city. Entrance to the grounds must be made through Harvey Avenue, and there must be no use of the ground on Sunday mornings particularly, the close proximity to places of worship making this feature undesirable. It is hoped by the baseball executive that baseballers will co-operate to the fullest extent to carry out these conditions, which do not handicap the use of the field and are entirely reasonable. In view of the difficulty experienced in securing a suitable field, and Dr. Boyce's action in response to the request of the baseball Club for the use of the ground from May 1 to July 1, any violation of these conditions might lead to the loss of the field for baseball purposes, and be a breach of good faith with the agreement made by officials and the owner.

Dr. Boyce's acceptance to the request has made it possible for baseball to be sure of a playing field, after it was doubtful if a suitable field could be secured, following the re-survey of the Rose property and its being placed on the market.

An unknown supporter has generously offered to defray the cost of harrowing the Boyce field, and it will be then rolled in the proposed infield, which should give a very good diamond. With the home plate at the Harvey Avenue end, there will be no danger to property through batted balls, and an effort is now being made to secure a screen behind the home plate to protect the Harvey Avenue traffic.

The first game in the District League at Kelowna is slated for Friday, May 10, when Oyanma meets the Hornets, which will give local officials a week in which to prepare the ground for use.

With the revival of interest in baseball last year, and with the prospects of a well balanced District League, as well as out of town fixtures, possibly in a league with northern points, there should be plenty of good competition for local teams this season. Mr. M. McLeod's generous offer of two signboards will supply a want which was noticeable last year in advertising fixtures, and the executive are hoping that sufficient talent will be encouraged to give Kelowna a strong representative aggregation, without resort to past practices of importing players, which

proved the ruin of this branch of sport, not only in Kelowna, but throughout the Interior.

AT THE TRAPS

Interior Championship Meet To Be Held Here

Definite arrangements are now under way for the staging of the Interior trap shooting championship on the local traps this year, the date selected being Victoria Day, May 24. Revelstoke, present holders of the title, having signified their acceptance of that date. In addition to the Interior team championship, there will also be the Kelowna Citizens Cup event, and a special trophy in the nature of the Spurrier Cup, donated by J. B. Spurrier, for competition between teams not engaged in the Interior championship. This trophy for second teams is expected to add interest for those who are not selected to represent their club in the Interior championship.

It is also planned to provide a popular all-day programme including at least two events divided on the A-C system, in which the novice stands a chance to compete with the more experienced shots.

The executive of the Glenmore Gun Club are holding a meeting this week, at which plans for the shoot will be considered, as it is intended to present an attractive programme for the large number of entries expected. Revelstoke, Vernon, Lumby, Summerland and Penticton, as well as local teams, will probably enter for the Interior team championship, and with considerable activity in golf circles, the holiday promises to bring a large number of visitors to the city.

Local trapshooters have been active at the traps in preparation for the coming event, last week's scores in 25-bird events being as follows: Paul, 22; Maxson, 21; Haldane, 21; Paul, 19; Hoy, 19; Whitehorn, 19; W. Harvey, 19; H. Kennedy, 18; Spurrier, 18; Hawes, 13. In 10-bird events, Maxson and H. Sidane both broke possibles.

Shots will be staged each Thursday on the Glenmore trap, at which anyone interested in this branch of sport will be welcomed.

LACROSSE

Meeting To Decide As To Revival Of Game

To decide whether or not there is sufficient interest to operate a lacrosse team this year, a meeting has been called for 8 p.m. tomorrow (Friday) evening, in Campbell & Lewis' store. Last year there was no lacrosse league operating in the Okanagan, but prior to that there had been yearly competitions for the Rowcliffe Cup. Last won by Armstrong in 1927.

At one time lacrosse was the premier summer sport, but in recent years, in company with other branches, it has died out, due probably to the lack of interest among players and the inability to secure juniors to take the places of the veterans who dropped out. Tomorrow night's meeting will decide prospects for this year and whether or not Kelowna will again enter competition.

THE OAR

Annual Meeting Of Rowing Club Tonight

In preparation for the annual Okanagan championships held in conjunction with the Kelowna Regatta and the club titles usually decided prior to the regatta, members of the Rowing Club are holding their annual meeting tonight in Kerr's Garage office. Kelowna has enjoyed competition from Vancouver, Vernon and Nelson in past regattas, and with the exception of one or two years, the Vancouver boys have reigned supreme in the four-oared race. Two years ago, the locals made their best showing in many years when they took both the fours and the doubles, and anyone interested in rowing is invited to the meeting this evening to assist in preparing plans for the coming season.

MANY MATCHES PLAYED IN SPRING HANDICAPS

Golfers Take Advantage Of Favourable Weather

Since the beginning of the Spring Handicap competition recently, Kelowna golfers have taken full advantage of the salubrious weather available for outdoor sports, and the first round of the Handicaps has been completed. The results follow:

J. D. Quine beat R. B. Staples; W. W. Pettigrew beat C. R. Reid; V. Clard beat M. H. Lee; J. W. N. Shepherd beat G. A. McKay; R. Whillis beat H. P. Rees; H. A. Willis beat H. P. Rees; C. Owen beat A. E. Seon; C. Quinn beat R. W. Seath; J. N. Hunt beat G. L. Campbell; F. A. Taylor beat A. K. Loyd; J. M. Dunlop beat J. V. L. Lyell; R. F. Parkinson beat Geo. Craig; D. Currell beat T. D. S. McLaren; G. A. Meikle beat E. J. Schiedel; E. M. Carruthers beat J. H. Broad; J. M. Paret beat E. O. MacGinnis; W. O'Neill beat J. D. Pettigrew; A. D. Weddell beat A. S. Towell; W. B. Bredin beat E. W. Barton; A. J. Smith beat V. D. Lewis; W. R. Trench, w.o.; E. D. Alexander, w.o.; W. E. Adams, w.o.; W. Gayton, w.o.

The following matches have been played in the second round of the Handicaps: J. D. Quine beat W. W. Pettigrew; V. Clard beat J. W. N. Shepherd; H. A. Willis beat C. Owen; C. Quinn beat R. N. Hunt; D. Currell beat R. F. Parkinson; E. M. Carruthers beat G. A. Meikle; E. D. Alexander beat J. M. Paret; A. D. Weddell beat W. O'Neill; W. B. Bredin beat A. J. Smith; W. Gayton beat W. E. Adams. One match has been played in the contest for the Barnes Cup, J. D. Quine and T. D. S. McLaren winning from W. R. Trench and H. K. Todd.

BASKETBALL

Adanacs Win Canadian Championship

New Westminster Adanacs made basketball history last night when they won the second game in their series with Windsor, Ont. Collegiate by 18-15, and brought the Canadian basketball championship west of Winnipeg for the first time since competitions have been staged. The new champions won the round

TWENTY YEARS AGO

(From the files of "The Kelowna Courier")

Thursday, April 29, 1909

"Old-timers declare this is the stormiest April for wind within memory, and it forms a new contrast to the lovely summerlike weather we enjoyed in March, albeit the winds are not as piercing as the usual equinoctial blasts."

"The School Trustees have received a letter from Dr. Alex. Robinson, Superintendent of Education, conveying the welcome news that a grant of \$8,000 in aid of the construction of a new school here will be provided at the next session of the Legislature, on condition that the site and buildings cost \$25,000. This happy result is no doubt largely due to the efforts of Messrs. Dilworth and Lawson in the course of their recent mission to the Coast, and they are entitled to the congratulations and grateful thanks of the community on their success."

The Agricultural and Trades Association and the City Council reached another deadlock in the negotiations over the property of the Association, the terms of transfer to the City being deemed unsatisfactory at a meeting of the members held on April 24th. Renewal of negotiations with the Council by the Directors of the Association also proved abortive, resulting in little more than somewhat torrid discussion and recrimination, and for the time being progress in the matter was completely at a standstill.

Reorganization of the Kelowna Civilian Rifle Association was effected at a meeting held on April 27th, when Mr. T. Allan was chosen as Captain, Chief Constable. Hixson, Vice-Captain, Mr. N. Ellison, Secretary, and Messrs. C. Harvey, J. N. Cameron, A. L. Meungens and C. James, members of committee. Thirty-two members had been sworn in, with more in sight.

LIGHT OPERA IS CAPABLY RENDERED

Pleasing Presentation Of "Les Cloches De Corneville"

Histrionic ability of high order characterized the presentations of the comic opera, "Les Cloches de Corneville" staged in the Empress Theatre on Monday and Tuesday evenings in aid of the Kelowna General Hospital. Unfortunately, the attendance at each performance was comparatively small and the financial objective was not reached. The excellent manner in which the opera was presented certainly merited better reward.

Kelowna amateur players, under the capable direction of Mr. G. C. Benmore, distinguished themselves by giving a most entertaining interpretation of Robert Planquette's light opera, as was evidenced by the enthusiastic applause volunteered many times at both performances. Each individual in the cast of about thirty-five players strove to give a faithful representation of the part portrayed, which lent to the whole a finished and harmonious effect that is commendable. The orchestra of eleven pieces, under the direction of Major Lindsay Reed, functioned in complete harmony with the cast, contributing in great measure to the success of the opera.

The delightful vocal numbers which feature "Les Cloches de Corneville" were excellently rendered by the chorists, duets and in solo, with fitting accompanying drama. The burden of the solo work fell upon Mrs. Hilda Tutt, Miss Kathleen Elvidge and Mr. Allen Surtees, all of whom were heard to advantage throughout. The appropriate scenery and costumes of the period added to their performances the necessary touch of realism.

The outstanding dramatists were Mr. Albert M. Shaw who, as Gaspard, the miser, gave a flawless performance, and Mr. G. C. Benmore. Mr. Benmore, as the Bailie, was extremely funny, his appearances on the stage seldom failing to evoke mirthful recognition. Mr. Leopold Hayes' characterization of Gobbo, the Bailie's shadow, and Mr. Harry Lee as the Marquis de Corneville, likewise deserve special mention.

In addition to those mentioned in the foregoing, the following comprised the cast: Fred Martin, P. T. Dunn, W. J. Coe, T. O. Hemming, B. P. Hardcastle, E. Orsi, R. Guidi, A. C. Poole, R. E. J. Hunt, Madeline Poole, Anna Wyrozub, Winnie Blackey, Gladys Currell, Freda Bowman, Gwend Benmore, Bessie Cooper, Teresa Thornbert, Anne Betts, Jean Ritchie, Maggie Bowes, Winnie Andrews, Clara Bowman, Etta Gordon, Clara Guidi and Nellie Wyrozub. The orchestra was composed of Mesdames M. Rutherford, Hewetson, G. D. Cameron, Miss Noel Smith, and Messrs. W. Murray, H. Johnson, A. C. Hasking, W. Quigley, J. Irwin and H. Cramp. Mrs. Leopold Hayes presided at the piano.

The costumes were furnished by the Parisian Costumiers, Vancouver, and the scenery was provided by Mr. E. Emmons.

First astronomy student: "I saw Aurora Borealis all lit up last night."
Second star gazer: "Well, what can you expect from these foreigners?"

"My Lord," said the foreman of the Irish jury, when giving the verdict, "we find the man who stole the mare not guilty."

Man spends half his life cussing the old fogies and the other half worrying about the rising generation.

36-35, losing the first contest 20-18 on Monday, and winning the Canadian title by the narrow margin of a solitary point, so that Windsor, 1927-8 champions, have little to be ashamed of, and the two teams appear to be evenly matched.

The new champions are all New Westminster boys, and were coached by W. Gifford, formerly a member of the world's champion lacrosse squad. The victory of the British Columbia team will be a popular one in the Interior, where the Adanacs have made many friends on their visits.

Your Summer Home Can Look Twice as Attractive

Simply cover the walls and ceilings with smooth, tight-fitting sheets of Gyproc Fireproof Wallboard—then decorate. Gyproc will also make it cooler on hot days—warmer on cold nights.
